WA3EPA Silent Key

Please join us for our club meetings. We meet on the first Saturday of each month at 9:00 a.m. at the Roasted Pepper Restaurant. They are located Just north of Cross Keys (routes 313 and 611) next door to Doylestown Glass. Talk-in is provided on the club repeater on 145.350 MHz (-) PL 131.8.

1

It is with deep regret that the WRC announces the passing of our Charter Member Robert W. Agans WA3EPA. He has been a guiding light for the club and was always ready to help anyone that needed it. Bob will always be remembered and his memory will inspire us to achieve great things in Amateur Radio and in life. Our deepest sympathies to his family.

Important Announcement!

Our next meeting is Saturday the 2nd of March. This is a very important meeting for the club. We must vote on a new repeater trustee. Our legal Guru , Dave Laustsen will supervise the proceedings. Any questions regarding these procedures should be directed to Dave Laustsen. He can be reached at 215-230-4250. Thank you for your participation.
