CQ CQ CQ

We are a group of Alaskans and others with a passion for operating on 50 MHz and above.

You don't have to be a contester or own a superstation to have fun. Even if you just got your technician license and your first handheld we can get you started.

Our members do all kinds of activities: VHF contests, digital modes, APRS, earth-moon-earth, and meteor scatter.

Whether you want to learn, try something new, or just have fun, the AK VHF-Up Group is the place!
