

# “RISING” UPDATE

June 24, 2025

Ray left early this morning for Bolivia, June 24 to do some radio consulting in an area where there have been road blocks by people opposing the government. The pastors want a radio station there! Also, will do some work on Radio Chaski (Quechua) in Cochabamba, plus visit friends from when we lived in Santa Cruz.

He returns, Lord willing on July 8<sup>th</sup> and then to Colombia on July 16<sup>th</sup>. He has 2 meetings with Nasa pastors interested in radio communications and will install a Star Link for Delcy and Claudia who are doing the language work with the Katio. Delcy has Hebrews left to complete the New Testament in Katio.

Please pray for safe travel in both countries, clarity of mind, good health and special times with those he will be interacting with. He usually ends up with some interesting experiences to tell. ☺

God bless,

Ray and Doris
