

Results of the 1969 CQ World Wide DX (Phone) Contest

BY FRANK ANZALONE,* W1WY

We had another good one back in October, even surpassing the 1968 Phone Contest which I had predicted as probably being the greatest one of them all. Practically all areas will show new scoring records. I counted over 20 new continental and world records.

A total of 1377 logs were received, a modest 3% increase over last year. This in spite of a 4% decrease in US entries, but which was more than compensated by a 40% increase out of the USSR.

There seems to be a trend to multi operation, which does cut down on the number of entries but increases the on-the-air activity.

Breaking a million by the single operator all banders is now commonplace, a total of 44 stations made it this year. But breaking a million on a single band is something else. This was finally achieved by CW0AA on 21 mc. Don't let that call fool you, it's none other than our friend Ricardo, CX2CO, the little ole record breaker himself.

Entries were received from 125 different countries, a decrease of 7, and only 39 zones could be accounted for, there was no activity in Zone 34.

But enough with the statistics, you can get more information from the top scores listings,

*Contest Chairman, CQ.

Would you believe that this attractive YL has a 23-year old son ready to take over the operation of YY1YC? We welcome multi-operator stations, but we would rather exchange contest numbers with you Irmgard.

PLAQUE & TROPHY WINNERS

Single Operator, Single Band

WORLD—North Jersey DX Association. Dr. Harold Megibow Memorial Trophy. Won by Talma Drummond, PY4OD.

CANADA—Gene Kreibiel, VE6TP Trophy. Won by Martin Rosenthal, VE3MR.

CARIB./C.A.—Gus Huether, HR2GK Trophy. Won by Pedro Piza Jr., KP4AST.

Single Operator, All Band

WORLD—Bill Leonard, W2SKE Trophy. Won by James B. Neiger, 9Y4AA.

U.S.A.—Potomac Valley R.C. Trophy. Won by John Lawrence, K1KTH.

EUROPE—W4BVV Operators' Trophy. Won by Klaus Kuhlemeyer, DJ4PT.

OCEANIA—Jack Chaulk, KS6EJ Trophy. Won by Edward DeYoung, KH6GLU.

CARIB./C.A.—Harold Fox, W3AA Plaque. Won by Eloy Marez, YS1XEE.

AFRICA—Gordon Marshall, W6RR Plaque. Won by Carlos Silva, CR6LV.

Multi Operator, Single Transmitter

WORLD—John Knight, W6YY Trophy. Won by Station ON4UN (OPRs. ON4UN, DK1FW, G3XVY.)

Multi Transmitter, Multi Band

WORLD—Radio Club Venezolano Trophy. Won by Station PJ0DX (OPRs. K1-ANV, K3EST, K3NPV, K4AQO, PJ2CC, W3AZD, W3MSK, W3ZKH, W4BVV)

Contest Expedition

WORLD—Stuart Meyer, W2GHK Trophy. Won by Station PJ0DX.

Special CQ Plaques

WORLD—Single Band Champion. Ricardo Sierra, Jr. CW0AA.

EUROPE—All Band Champion. Robert Snyder, LA0AD.

Band-by-band breakdown of top scores.

band-by-band breakdown of the top stations, and the Trophy winners.

There were many highlights but we feel the multi-multi operation of PJØDX by the PVRC group tops them all. The Committee and Stu Meyer therefore award them the W2GHK Contest Expedition Trophy. A fan-

tastic 10,014 contacts were made, but they did not all figure in the scoring. A computer dug out 744 dupes, leaving a net of 9270 and a score of better than seventeen and a half million. It was also interesting to note that 5653 contacts were W/Ks.

Other Contest Expeditions of note were FG7TI/FS7 by PJ7JC, W9ZRX and VE3-EUU; ZF1CC by WB4MKU, W4DGY and W4ZRZ; VP2VP by VP2VI, VE3ACD and VE3GMT; Lord Howe by VK2BKM; OHØAM by OH2BH; C31CQ by K2IXP who operated fixed mobile from a camper in freezing temperatures; and DJ6QT/CT3 which was sadly terminated prematurely because of the death of Walter's infant daughter while the family was spending a vacation in Madeira.

The call 9Y4AA may be new but not its operator. Jim Neiger, ex-ZD8Z again had the extra QSO point advantage for all those W/K contacts and nosed out Herb, KV4FZ for top honors.

The fixed mobile location of C31CQ and the camper used by K2IXP high in the mountains of Andorra. Larry experienced freezing temperatures at this 8500 ft. altitude.

The 10 meter position of the West Coast Multi-Multi "Big Gun" W6VSS. That's Cam, W6QY and Dick, W6ICJ doing their share in putting Dale Hoppe's station at the top of the list in zone 3.

Another donnybrook was the one between IIBAF and IIFLD with Mino avenging last year's defeat by Antonio by a very narrow margin.

The OH DX Ring was not able to round up a full crew for multi-multi operation, so they joined the Single Transmitter category. However a surprise new entry in this category, ON4UN took top honors.

A new call that had everybody scratching their heads was WA2ZAA. It was none other than old K2GL reorganized to operate in the Extra portions of the bands.

The openings on all bands were good but exceptional on 28 mc. It seemed to me that everybody flocked to 10, some because of the fine opening, other because of the unrestricted frequencies on that band.

To quote W5EU, "10 was beautiful, best opening I have heard in 38 years of hamming." And K4KJN was bemoaning the fact that he had to buck the "big guns" with only a TA 33 Jr., but Mickey had picked the right band and won himself a certificate.

Of course "Murphy" reared his ugly head as usual. W4VAN says he was Murphied to death. Don blew a trap on 40, followed by a balun and finally the rotor went kaput.

However, I don't think WA5LSM can blame Murphy for his difficulties. Marlin claims his linear blew up when a pretty YL walked under his antenna. (Boy! they sure must be wearing those mini's short down Texas way!)

And do you suppose Murf had anything to do with VE4ZP's cousin using John's home as a hide-out for their elopement and louse up John's contest week-end?

A common complaint was that some DX stations do not identify themselves often enough, adding to the confusion in a pile-up. But even a pileup has its moments of humor. An incident as told by Maurice Duke, ZM1TZ relates that during an unusually heavy W/K pileup there was complete silence after he had given a report to a station. Suddenly a voice pipes up, "Who's dat wun for, Mr. Dook?"

JA1AEA yearly expresses disappointment that we do not have a continental Trophy for Asia. Well, how about someone in JA land donating one? All our awards are donated.

K5YMY had no complaints, he enjoyed the contest so much that he wants us to make it a two week-end affair for each mode. (That's a privilege reserved for ARRL only.)

If you want to fatten your 5 B DXCC total this is the contest where to do it advises WA6LYO. Perry added 26 new countries to his 10 meter total.

This is the 11th *CQ* Contest for the group at SM5AZU. They figure the fellows have been operating together for over 200 years. (I don't quite figure how they arrived at that.)

K6HN was disturbed by the incessant calling of some stations, even when the DX station was already working someone. But WA3JRY found everybody most gentlemanly, even in the closing hours of the contest. (By that time they were just numb. Hi!) I would add however that on the whole, operating ethics were generally commendable, the pattern being set by the operating procedure of the DX station.

Our week-ends are working days for the Muslim world, therefore YA1HD found it impossible to put in full time. We are grateful for the time Helmut did put in and give the boys a shot at a rare one.

Experience gained over-seas evidently pays off because K1KTH, the USA Trophy winner is ex-KA7AB. Nice going John.

K3CLA is the club call of the St. Joseph's Prep School Radio Club and the boys had a ball in the contest but didn't like the idea of spending an extra 48 hours in school. (I would suggest an organized operating schedule.)

The group at G3VUM had problems of another nature. The station was located in the same building as a dance hall. Came Saturday night they were forced to QRT because "CQ DX" was getting into the hall's P.A. system.

We see many photos looking up at beams and towers but here's one looking from the top down. It was taken from the "crow's nest" at the 120 ft. level of W9EXE's tower.
