INSTRUCTIONS

Thank you for your interest in the ***Down East Sideband Society*** (DESS) Worked All States (WAS) Award. Our WAS Award is acquired by working amateur stations in each of the fifty United States on lower side band, upper side band, or CW. Your award will be printed on quality matte photo, with a serial number, suitable for framing, and will be verifiable in our organization records. The DESS does not “endorse” QSL cards, so **please do not send us your QSL cards**. Your signature on the WAS award is your confirmation that you have made the contacts you are claiming and that your claim is honest and true.

There is no charge for the DESS WAS Award, but please enclose \$5.00 to cover the cost of the large photo envelope and postage. Your Name, Callsign, and award serial number will be listed on the DESS website, along with the date you achieved the award.

Please complete the enclosed form and provide your call sign, your name (as you want it to appear on your WAS certificate) and complete the section indicating the station callsign and the date you made your QSO, then sign and date at the bottom attesting that your statement is honest and true, and mail the form to the DESS Secretary at:
