Old Business:

Discussion was held on Field Day. Had to be moved from the Airport, due to our insurance would not cover us at an air show, as they are excluded. Will be at the Park in Woodland Park on Saturday.

The hamfest was discussed. Work is still in progress on getting vendors. Fred will distribute flyers at North Bend Hamfest.

New Business:

Discussion was held on purchasing a WiresX interface for the computer and moving the 73 to be connected to the fusion system. Fred reported that Connecting Point will give us free access to internet. Fred will also provide the router. Motion was made by Monty and second by Shane to spend up to \$150 on the purchase of the WiresX interface. Motion carried.

A motion was made by Bruce and Seconded by Bryce to move the July meeting to the 15th, due to conflict with the North Bend Hamfest on the 8th. Motion carried.

A presentation was given by Bruce on the time he worked at RL Drake as a young college student, from 1966-1967. He also shared diagrams of radios that he worked on. The presentation was very informative.
