Old Business:

Terry R. gave a report on Field Day. Set up was completed smoothly. Had some show and tell. Shane brought a home brew portable repeater. Did have the fox hunt. The meal was good. It was extremely hot with no breeze. It was decided to pack it in at dark and not due overnight. Further discussion and ideas on field day, etc.

New Business:

Fred reported we are still a go for the ham fest but will have to determine when closer if we will have to cancel.

Fred reported that he had been interviewed about amateur radio and field day for Nebraska Life magazine. Unknown if they will publish next year.

Next VE session is at 4:30 PM on Thursday August 20, 2020 at the Norfolk Public Library. Library closes at 6 pm, so must start early.

Discussion was held on starting up the training sessions after the monthly meeting Terry R. will host the first one about digital audio communications.

Meeting adjourned at 9:50 AM.

Respectfully submitted,
