Committee Reports

We are still working on committee assignments.

Testing Committee – Rich tested last month and passed. Next testing is May 20 – 1:15pm

Repeater Committee – 73 Site – We have internet at the 73 site and all the ports are set up properly. Aaron and Andy shared the challenges faced to set up the system. The repeater is connected to the hub. We discussed the Thursday night net on the 440. Each Thursday night we will connect to the Nebraska Hub for the net due to the increased participation. We discussed where to park it for regular usage. Users have the ability to direct the repeater to any Wires-X room. Aaron will attempt to come up with a simplified document to change rooms. We have an open invite to connect to the Nebraska Ares group of repeaters.

A break was held at 9am for Breakfast.

Old business

DMR – Shane spoke with George last night. Things are still progressing. They will be checking an antenna for the install. We should be ready to install the system soon. George will work on the frequency coordination.

May 13th is the State Ham Convention.

New Business

We will hold a Fox Hunt after the meeting on the 8th of April.

Meeting was adjourned at 9:45

Training

Training today was setting up a few radios and hotspots for members.

Next Month's Training: Fox Hunt

Split the pot of \$6 was won by Gene who donated it to the club.

Respectfully Submitted,
Aaron Mathis, KTOQ
Secretary/Treasurer
