The Treasurers Report was read by Aaron. A motion was made by Fred to accept. Monty seconded. It was carried by the club.

Committee Reports

Testing Committee – Our next testing session will be at the Ham Fest. Testing is planned for 8:30am. VE's should let Monty know they will be there.

Repeater Reports – The new laptops have not yet been installed. There is no rush as the old laptops are still working, however the plan is to install them soon.

Old Business

Library Books – The ARRL still has not contacted Monty. He will continue to monitor the situation and order the books when available.

New Business

Ham Fest – Fred confirmed the Hall has been contracted. Aaron will reach out to donors for door prizes, We will also look at getting a few press releases sent to area publications.

Stub Tower – Work has been completed at the tower. A new DMR antenna was installed on the North East side of the tower. The DMR Group donated 300 feet of hardline to the project and we had no costs.

The Nebraska ARES group is trying to set up a Nebraska based IRLP connected system. This might be a suitable replacement for the Nebraska Hub. Fred will keep us updated on the progress.

The monthly Split-the-Pot drawing of \$10 was won by Fred who donated it to the breakfast fund.

Future Dates

October Meeting – October 12th

Testing – November 16th

Meeting Adjourned at 9:21 am.

Respectfully Submitted,

Aaron Mathis, KT0Q

Treasurer/Secretary
