Committee Reports

Testing Committee – Our next testing session will be at on February 15th at the Library. Testing is planned for 1:15pm. VE's should let Monty know they will be there and arrive by 1:00pm

Repeater Reports – While most of the issues with the 440 seem taken care of, some folks are still having access issues. We will look into some solutions before installing the second laptop at the 73 site. The 73 site doesn't seem to be having issues.

Old Business

Dues are due today. Aaron will hold off sending out letters until after the January meeting.

Winter Field Day - This is scheduled for January 25th and 26th. Shane will host at his house. Terry R. discussed the multipliers and how scoring works this year. While we won't get the most contacts, we can certainly test out a variety of our skill sets. Setup will be on Friday at 4:30 pm. The official start time is 10am on Saturday, but folks can arrive at around 8am to setup.

Monty was able to order the books from the ARRL for the library. Due to their new system, they send the books directly to the library. The total for the books was \$270.66.

New Business

No New Business.

Gene won split the pot today. The total was \$15 which he donated to the club.

Future Dates

Winter Field Day – January 25th and 26th

February Meeting – February 8th

Testing – February 15th

Meeting Adjourned at 9:03 am.

Training was held discussing Allstar mode which is connected to both repeaters.

Respectfully Submitted,
Aaron Mathis, KT0Q
Treasurer/Secretary
