Presidents Message

Here's hoping everyone had a great Thanksgiving holiday and all the left-overs are finished! Every year my wife and I agree not to make so much food and every year we seem to make more than last year!! But we all had a nice time and we finally finished left-overs! I hope you and your family enjoyed the holiday and everyone is getting ready for the next ones!

Speaking of holidays, JSARS annual Holiday party will be at Riverwood Clubhouse on December 9th at our regular meeting (a quick meeting and then we party!) about 7:30 pm. As usual, the girls are planning a feast and everyone is welcome. Come join us and bring a good appetite! We always have lots of food and lots of fun and holiday spirit to share.

Now that the weather is getting colder we are still meeting every Thursday night at Riverwood for our socializing with our fellow hams, but most times we are inside. Join us anytime, the coffee is always on and usually a snack. Don't be a stranger--- come and join us---we are usually there by 7:00pm.

As I'm thinking about JSARS and the holidays, I'm so glad that the club has really come together and we can all celebrate something together!! The 910 is one of the busiest frequencies on the band, someone is always out there ready to talk with us and socializing every Thursday has been great. Many members have formed new friendships and we have become one of the most well-known clubs on the Jersey Shore! As you can tell, I'm proud to be a JSARS member and I hope you are too! Every week at our socializing night, we get a great crowd and everyone seems to have a great time ----if you are not there, we will miss you.

See you or talk with you soon,

73 Rocky N2YQS
