Dickinson & Florence County ARES/RACES Script

<<Thursday, 6:25 P.M.>>
Please stand by for the Dickinson & Florence County ARES/RACES Net.
This is <<callsign>> your Net Control Station for tonight. Tonight's net is on the 146.850 repeater.

<<Thursday, 6:29 P.M.>>
Please stand by for the Dickinson & Florence county ARES/RACES Net.
This is <<callsign>> your Net Control Station for tonight. Stations wishing to arrange a QSO on an alternate frequency please go ahead now.

<<Thursday, 6:30 P.M.>>
Good Evening. This is the Dickinson & Florence County Cooperative ARES/RACES Net. This net meets each Thursday, except Holidays, at 6:30 PM to further Amateur radio emergency readiness, and to provide a common forum for interested Amateurs through-out Dickinson & Florence County and the surrounding area. We invite all ARES/RACES members to check in.

This is a directed net; please do not transmit until invited to do so by Net Control. Please indicate if you have any traffic when checking in. This net may be interrupted at any time for Emergency or Priority traffic with a "double break". This is <name>,,<<callsign>>, Net Control.

I will now stand by for any emergency or priority traffic please call <<callsign>> now.

I will take any check-ins to anyone mobile or short time check-ins. Please call <<callsign>> now.

I will run through the registered members list. When checking in please indicate if you have any traffic, questions, or comments for the net.
<<Net Control runs through the Members list>>

I will now take check-ins to any out of county ARES members not affiliated with the Dickinson & Florence ARES/RACES Group. Please give your callsign, name, and location.
<<If there are any stations with traffic, return to each in turn>>

Is there ANY other traffic or ANY other late check-ins before we close the net?
<<Long pause, then repeat question until no more responses>>

This CONCLUDES the Dickinson & Florence County ARES/RACES Net. The next meeting of this net will be next Thursday at 6:30 P.M. On behalf of our ARES/RACES Group, we thank the Mich-A-Con Amateur Radio Club for the use of the repeater. The repeater is now released. Please resume routine operation.
       This is Net Control <<callsign>>.
       73 and Good Night.
