JULY 2004

## JULY MEETING

The July meeting will be held on the 10th of July at 8:00 AM at the new Niles City Fire station which is at the corner of Main Street (US12) and Maple Street in Niles. **PARK ON WEST AND NORTH END.** If door is locked call on 147.18 repeater for help to get into the room. Gary KC8NAP will do a demo on APRS if there are enough members attending.

## CHRISTMAS PARTY INFO

I talked to the owner of the Golden Nugget and he said we could use the room. We can order off the menu with prices range from \$9 to \$14. This depends on what you can order. The menu was sent at an earlier date. I made the reservation for the Golden Nugget on 11 of December at 6:30 PM

## CLUB PROJECTS

The members at the last meeting voted to furnish a comet GP-3 antenna to be put up at the fire station. As of this time \$75 has been donated toward the antenna which costs \$99. We will contact Chief Lamb and see about installation.

## CLUB MEETINGS

The members at the last meeting decided to do a survey to help increase attendance at the meetings. We have not gotten any programs set up because with the low attendance we feel this is asking some one to come and provide a program is not feasible.

Below are some items that can be addressed.

**Should we change the time?**

**Should we meet at a different place?**

**Is breakfast a requirement at the meetings?**

**Should we go back to bi-monthly meetings.**

Send any suggestions to the following.
