

Kittitas County Ham News

December 2021

Are you ready for a meeting? We are scheduled for Saturday December 4, 8:00 AM at the Buzz Inn Restaurant on Canyon Road. See you there.

Anytime, like right now, when you are looking for radio club information, please remember that we have a really good website. You can find anything you need at <https://www.qsl.net/kcarcs>. And please say thank you to Bob AI7CS (ai7cs@arrl.net) for doing such a good job with it. Also, send Bob any ideas you may have about something to post on the website.

Someone else you might want to contact is Steve Douglas W7JAA, who chairs our Emergency Preparedness Committee. His email address is w7jaa@arrl.net. He can provide any information needed about ARES activities, meetings, and training. You should also be able to find Steve's contact info on the web site.

If you have information about upcoming activities or something similar that should be in the newsletter, please send it to 7gloria@fairpoint.net. And please note, that is a new address. And, so far it is working.

Remember the meeting - December 4, 8AM, Buzz Inn Restaurant.

(Gloria WA7GYD)
