

Kittitas County Ham News

Okay, here we go again. We have space reserved at The Palace Cafe on Saturday June 12 starting at 8:00 AM, we have been given a 2 hour window to use the room.

There is no limit on how many we can have but they need to know at least a week ahead of time how many will be there. Please send me an email ASAP if you plan to attend. My email address is 7gloria@kvalley.com If you need to call instead of email – my phone number is 509-962-3820. Please leave a message if I do not answer. Thank you.

Just so you know – they need to know “how many” only so they put us in a properly sized room. If you are a person who doesn't email or call we will assign you to the uncomfortable location. (just a warning)

This is not a permanent change of the “usual” date for the radio club meeting. (Maybe you remember that usually the meetings are on the first Saturday of the month.) I can not attend on the first Saturday of June and Randy said I had to be there. So this meeting is not on the first Saturday. For your planning purposes, meetings following this one should be on the first Saturday.

The topic for this meeting will be the future of ARES and the way RACES fits into emergency communications, versus ARES. Randy has a number of things to bring up for information or discussion. If you are interested in being actively involved with ARES please try to attend this meeting. Okay, this is the best I can do right now. If we start to do this on a regular basis, I will get better at it.

Please remember to respond if you want to attend the meeting – June 12, 8AM. Thank you.
