

Gems Art News Blog and Associated Websites

Sunday Bulletins & Traditional Catholic Website updates Etc.

Due to recent changes, And a webpage new look we are able to publish some of our traditional catholic material. I've added some extra material and have done allot of changes to the religious website and some of the word press blog sites as well.

We may lose our Canadian Server during the summer? So I will be busy transferring data from that server too the new one. So there will be a short down time, on some of the commuter sites as we change over to the Robson Host Server..

All are welcome, Watch for updates as I will be updating the site from time to time until the end of March 2012.. After that updates will only be occasionally Enjoy the website..

The Sacred Hearts of Jesus & Mary

News Blog Site Update

News Site Blog Site is now updated to the Latest Version of The Word press Software.

Allowing us to use 3rd part software to post our news article and announcements. A bug in the older software version prevented us from doing this. We kept the original template and design and this is simple to maintain. All is working great. Anyone wishing links added to the right side panel let us know and we will add you to the lists.

Third Story Headline

The Blessed Virgin Mary and The Holy Ghost.

[Jan. Dedicated To The Holy Name of Jesus](#)
