Paul Davis - New Ham & New Club Member

Last November, Paul Davis (pictured here) walked into the Amateur Radio Exams being held at HP in Cupertino and took exam levels 1- 4. All-in-all, the tests took three hours, but he passed them all and walked out with an Amateur Extra Class ticket! That's a tremendous accomplishment and was the realization of Paul's life long dream.

On December 9th, Paul - now AE6ZG and his wife, Christine joined us at the Club Christmas Party and he became our newest Club Member. Congratulations, Paul and welcome to the Club.
