Reasonable Sellers spaces available if you're a licensed Radio operator.See You There!

The W6TRW ARC Hamfest and Swapmeet

The W6TRW Swap meet started in the '60's as a "Tail Gate" event and has evolved to the event that it is today. The same basic objective is still around as it was long ago, usually for a ham to gather up their stuff that they no longer need, or perhaps to find something better, or to clear out a garage, store or ham shack. Computers have become a necessity for many, you'll see lots of computers and parts for sale as well. It is one of the largest continuous running amateur swapmeets in the country. **WHERE:** the Southeast parking lot at the corner of Marine Ave. and Aviation Blvd. Manhattan Beach always on the **LAST** Saturday morning of every month. 7AM - 11:30AM <http://w6trw.com/swapmeet/swapmeet.htm>
