

LONG ISLAND DX ASSOCIATION MEETING

JULY 18, 2023

The meeting was held via ZOOM which members continue to prefer. Our meetings in this format are informal and conversational.

All those who share our interest in the Amateur Radio specialty of DXing are invited. New members should contact a member if they would like to have the ZOOM link.

Present at the meeting were: John, W2GW, President of the LIDXA; Jack, NU2Q; Richie, K2KNB, President of LIMARC, Jerry, WB2ZEX; Steve, N2AJ; Lou, NO2C.

Our meeting began with Lou, NO2C, stating that he has worked over 6000 POTA stations. He plans to activate Heckscher Park soon. He will also be with GSBARC as they participate in the Maggie Fischer Memorial Cross Bay Swim. Lou also plans to participate in the International Lighthouse and Lightship Weekend on Fire Island.

Jerry, WB2ZEX, said that he is still working on his endeavor to contact States. Jerry says that he feels much better.

John, W2GW, is working on his Raspberry Pi.

Richie, K2KNB, said that LIMARC will participate in the Cradle of Aviation Event to commemorate the Apollo Landing. The LIMARC picnic is August 6th. He has a sloper for 80 Meters and he has worked 2 DX stations with it.

Due to the small number of attendees, there was no showing of a video. John, W2GW, announced that the next meeting will be held on August, 15, 2023 at 8 PM using the ZOOM format.
