

Los Angeles County Operational Area Disaster Communications Service

Activity Notification

District: 17 – Lomita

Date: 09/11/2011

Activity: Palos Verdes Peninsula Schools Amateur Radio Equipment Inspections

DCS Incident Commander: Diana Feinberg, T-01

Date of Event: 09/12/2011 **Time:** 0900

To Date: 09/14/2011

Time: 1100 (three hours on each of first two days; two hours on last day.)

Location/Address of Activity: 23 school sites on Palos Verdes Peninsula: 20 public and 3 private schools

Purpose of Activity: Annual technical inspection of all 220 MHz disaster amateur radio equipment

Who's Requesting? Name: Lora Dodell

Agency: Palos Verdes Peninsula Unified School District

How Will DCS Be Used: DCS members will travel to each school site, take inventory of all radio equipment and accessories at each location, clean radio and battery contacts, check power output and SWR of roof-mounted antennas, verify correct frequency settings are in each radio, test all radios for proper repeater and simplex operation. DCS members complete a form at each school site which is the basis for obtaining any replacement radios or parts.

Equipment / Modes of Communications Needed: 220 MHz and 440 MHz HT radios

Uniform Required: Class C

Will Food Be Available? Yes No

Cost: \$0
