

Los Angeles County Operational Area Disaster Communications Service

Activity Notification

District: 17 - Lomita

Date: 08/28/2013

Activity: Palos Verdes Peninsula Unified School District Radio Inspections & Inventory (a technical activity)

DCS Incident Commander: Diana Feinberg, T-01

Date of Event: 09/09/2013

Time: 0900-1200

To Date: 09/11/2013

Time: 0900-1200 (three hours on each of three mornings, 09-09-2013 through 9-11-2013)

Location/Address of Activity: 24 school sites on the Palos Verdes Peninsula (20 public, 4 private)

Purpose of Activity: Annual inspections and inventory of all 220 MHz disaster amateur radio equipment used by the schools for backup emergency communication.

Who's Requesting? Name: Lora Dodell

Agency: Palos Verdes Peninsula Unified School District

How Will DCS Be Used: Pairs of DCS members will travel to each school site for testing all amateur radio equipment to ensure proper working condition, clean battery contacts, take inventory of radio accessories at each site, visually inspect antennas/coax lines (from ground level) and measure SWR, plus add Tone Squelch (if necessary) to several simplex frequencies already in memory channels. DCS members complete a form for each school site; these forms become the basis for repair or replacement of equipment.

Equipment / Modes of Communications Needed: 220 MHz HT & SWR/Power Meter

Uniform Required: Class C

Will Food Be Available? Yes No

Cost: \$0

Other Agencies Involved: None other than the schools

Approvals:

DCO: Diana Feinberg

Unit ID: T-01

Date: 08/28/2013
