RE: ANNUAL RADIO EQUIPMENT INSPECTION -- PALOS VERDES
PENINSULA UNIFIED SCHOOL DISTRICT DISASTER
COMMUNICATIONS NETWORK

Next Monday, Tuesday, and Wednesday, September 8-10, 2014 members of the Lomita Sheriff's station Disaster Communication Service (DCS) organization will perform the annual inspection and inventory of all disaster amateur radio equipment at Peninsula schools from 9:00 a.m. to 12:00 each day.

Please ensure your radios and radio accessories (whether in bag or case) are available, as well as having at least one radio battery fully recharged prior to your site's inspection.

Each inspection and its associated testing will require about 25 minutes. The schedules for this year's inspections are:

Monday, September 8 - 9:00 am to 12:00 p.m.

West side schools: Palos Verdes High, Palos Verdes Intermediate, Point. Vicente, and Lunada Bay.

East side schools: Dapplegray, Mira Catalina, Miraleste Elementary, and Miraleste Intermediate.

Central area schools I: Maintenance, Rancho del Mar, Ridgecrest Intermediate, and Vista Grande.

Tuesday, September 9 - 9:00 am to 12:00 p.m.

North side schools I: Malaga Cove, Montemalaga, Rancho Vista, and Valmonte

Wednesday, September 10 - 9:00 am to 12:00 p.m.

North side schools II: Chadwick, Rolling Hills Country Day, and Peninsula Heritage School.

Central area schools II: Cornerstone, Palos Verdes Peninsula High, Silver Spur, and Soleado.

Any questions regarding operation of equipment at your location may be directed to the DCS members. If you have any operating questions after the inspections, you may contact Diana Feinberg of Rancho Palos Verdes, who heads the Lomita station's DCS unit, at 1-310-544-2917 (home); 1-310-529-6450 (cell); or via email at: dfeinberg@att.net . In the following week she will follow up with any equipment problems found.

The first monthly radio drill during the 2014-2015 academic year will be held Tuesday, October 7, at 9:30 am. Attached is a list of the radio drills for the 2014-15 school year.

Thank you for your participation in maintaining and improving our disaster communication capability.
