Time: 0500

To Date: 2/13/2022

Time: 1105

Number of DCS Members: 8

Hours: 47

Please Attach A Copy of the Sign-In Sheet

DCS Incident Commander: Diana Feinberg S-60

Net Control Operator(s): Diana Feinberg S-60, Unit I.D.

DCS Safety Officer(s): Diana Feinberg S-60, Unit I.D.

Command Post Location / Address: Sonesta Hotel parking structure roof, 300 N. Harbor Drive, Redondo Beach, CA 90277

Purpose of Activity: Support City of Redondo Beach's DSW radio group for race communication

Who Requested DCS? Name: Sgt. Scot Martin, RBPD / Sgt. Tina McCoy LASD LMT

Agency: LASD LMT

Overview of the Event / How Was DCS Used: DCS was requested to organize the radio operator team and serve as net control alongside Redondo Beach PD volunteer with RBPD radio. Radio operators spread along the 10K running course and Start/Finish area communicated situations requiring first responder assistance and runner information to the event director.

Suggestions / Issues: None...all went well except one stuck mic for several minutes.

Equipment / Modes of Communications Used: 440 repeater of Palos Verdes Estates PD's Neighborhood Amateur Radio Team; handheld 440 MHz radios for operators along the course and at Start/Finish; mobile UHF transceiver and 440 log-periodic antenna at net control.

Other Agencies Involved: Redondo Beach Police Department; Redondo Beach Fire Department

Prepared By: Diana Feinberg S-60

Date: 02/14/2022

After Action Reports are to be submitted to the Administrative Staff no later than 10 working days after the Event / Incident
