

# Moultrie Amateur Radio Klub

The DXpedition to Burkina-Faso in west Africa by the XT2C gang provided CW contacts on 30 and 20 meters and the DXpedition to Eastern Kiribati in the South Pacific also provided two CW contacts but this time on 160 and 17 meters.

There was a single 30 meter contact with Belize (V31YN) and also a CW contact on 17 meters with Ascension Island (ZD8RH). There were also 17 meter Phone contacts with Jamaica (6Y5/DJ7CF and 6Y5BB), Barbados (8P6GE), El Salvador (YS3/I2JIN), Montserrat (VP2MHF), Cayman Islands (ZF2BJ and Switzerland (HB9RDE – with his usual loud signal). So despite conditions not

being particularly good it was a fun month..... DE Bill - W9LYN
