[November Meeting Program](#)

[Secretary's Report](#)

[Membership Report](#)

[Future Programs](#)

[Upcoming Swaps](#)

[Club Nets](#)

Happy Halloween everyone. On November 2, 2016 the meeting starts at the **NEW 7:00 pm start time**. At the board meeting we decided to hold the board meeting every other month, starting in January 2017. The board meetings will be in January, March, May, September and November. Also in November are nominations for officers. We need new blood for officers. November 6, 2016 Daylight Saving Time ends. The November meeting will be the last meeting before the swap. The L'Anse Creuse Swap will be at Madison Place aka UFCW 876 Hall in Madison Heights. I hope to see everyone at the next meeting. Have a nice week.

Rick Vandecar - W8RTV

73 Rick/W8RTV
richardvandecar@gmail.com

**December
Deadline:
November 28th**

Next Meeting - 7:00 PM November 2nd 2016 at the Tucker Senior Center (see [last page](#) for map and address).

Meeting Program - The program for our November meeting will be as reported on [page 2!](#)

The monthly board meeting will be on Wednesday, November 9th, 2016.

L'Anse Creuse Amateur Radio Club

44th Annual Swap & Shop

SUNDAY, SUNDAY, SUNDAY!

DECEMBER 4, 2016

See the flyer [HERE](#)

K8RO will have flyers available at the November meeting, or contact him [directly](#) to get some flyers if you can't make the meeting.

NOVEMBER 2ND MEETING PROGRAM

NEW
Meeting START TIME
is 7:00 PM

The November meeting will occur. [That's all the information I have to publish. Editor]

Gregg Crump N8GEO

Report of the Secretary

Meeting called to order October 6, 2016 at 7:30 pm.

20 members and 1 visitor Geoff (pronounced "Jeff") KD8VAX .

N8GEO Gregg upgraded to Extra class.

A motion to accept the minutes was made by Dale K8RO and 2nd by Doug N8PYN. Motion carried.

Treasurers Report by Gregg N8GEO. \$2,267 in the club account: \$129. youth forum, \$250. repeater fund, \$1,200 swap mailing, \$688 general fund.

Club membership is at 59 members.

Where's Doug? October 30th USECA swap at the United Food Workers Union Hall, 876 Horace Brown Dr., Madison Heights, MI. 48071. This is also our new swap location. Come check it out!

Repeater Report: During 2 tech sessions the team increased power on both machines and tuned the duplexer on the 2 meter machine. Doug N8PYN is experimenting with WIRES-X. Stay tuned for more information on this new interface to the internet.

Swap flyers are ready. Please get some to distribute. Vendors are donating some door prizes for this year's swap.

Tech Lab at Macomb Community College is on the 25th. Bring equipment that needs repair to South campus (12 and Hayes), building S, room 137. Next tech Lab will be November 15 at 7p.m. Mark your calendar and join us.

QSL report by Dale K8RO: 166 eQSL cards were received, from MI QSO party and Field Day 162 were sent club eQSL cards.

Christmas party at Sajo's: Keith W8KD is accepting reservations for this year's party. The cost is \$20.00 a person and you will have your choice of 4 entrees this year. Instead of radio raffles we will be holding a 50/50 raffle. Tickets will be available at the club meeting and the night of the party.

The Board approved five \$10.00 gift cards to help offset fuel cost for speakers who present to our club. The club picnic prior to the September meeting was well received. All who attended enjoyed the event. Debbie KC8WHN cooked hot dogs and there were lots of desserts.

Door prize winner was Ralph W8ROI who won the Baofeng hand held.

Geoff KD8VAX, our visitor from the Cert Team Sterling Heights, was here to let us know that the CERT members will be using the N8LC repeater for a ham net the 1st or 2nd Tuesday at 8 pm. They have a Facebook page. They are recruiting. They have 35 members and about 14 are already licensed hams. The LC board meeting will be October 12th at Roseann's Kitchen, 15 Mile, west of Gratiot.

Meeting adjourned at 8:35 pm

Membership Report

October is the start of our dues year and the renewals are coming in for 2017. I have processed 18 membership request forms in October.

We have 59 members: 22 are paid up through 10/31/2016 (includes one "first year free" member expiring 10/31/16), 24 are now paid up through 10/31/2017, 2 are paid up through 10/31/18 and 2 are paid up through 10/31/2019, and 9 are life members.

At the October 2016 meeting I counted 20 members in attendance for our program, and 1 guest.

There has not been any progress on adding a 6-character grid square locator field to the information in the club membership database.

John N8FYL 10/26/16

Board meeting Minutes

Board meeting on October 12, 2016 opened at 7:30 p.m.

Attending were Rick W8RTV and Debbie KC8WHN VanDeCar, John Slobodnik N8NXW, Doug N8PYN and Cathy Chauvin KC8WNL.

The option of only holding a board meeting every other month was discussed and approved starting January 2017..The months that will have a board meeting are, January, March, May, September and November.

Elections are coming up. Consider what you can contribute to our club. Officers only spend a few hours a month helping our club to survive. Please consider volunteering to help improve our club. We all have something to offer. I [KC8WNL] have spent all of the 10 plus years I've been a member as a board member in one position or another. New blood is needed to make our club the best club it can be. It doesn't take up much time.

The board thinks that wrist bands would be helpful to identify paid vendors and guests who attend our swap. 2 colors to help us identify who has paid. Debbie KC8WHN will be checking on prices.

Want to get rid of your old QST, CQ, and Nuts and Volts magazines? Make up mailing labels with the club address and dates we meet at Tucker senior center (found in the Yahoo group messages) and cover your address with the labels. Drop them off at your doctor and dentist offices. This small gesture could increase our club membership.

We also discussed the fact that topics could make our nets more interesting. This was done in the past and we feel it could increase the size of our nets.

Tech lab nights will be held the 4th Tuesday of each month except, November and December. November's meeting will be the 15th. Still at Macomb Community College, Building S room 137 at 7 p.m.

Board meeting adjourned at 8:34 p.m.

Celebrating your club's Elmers might encourage others

By Dan Romanchik, KB6NU

Sam, W5KF, recently sent me a link to the Elmers' page on the Norman, OK South Canadian Amateur Radio Society (SCARS) website. Not only is it a listing of the club members who have stepped forward to Elmer new members, but also provides ways to honor current and past Elmers. This is from the SCARS newsletter:

"Elmer List on the W5NOR.org website

"This week we talk about a brand new feature on the W5NOR web site. In the amateur radio community, an experienced amateur radio operator who mentors a new or prospective ham is commonly called an "Elmer". In our hobby, that seems to be a great way for knowledge to be transferred.

"Yes, we all have taken an FCC test to receive our license, however that's only the starting point. Remember that person that helped you set up your first radio, or gave you the courage to press the PTT button, or answered endless questions about a radio, or an antenna? That's the kind of thing we're talking about.

"Thanks to a great suggestion from Gary Skaggs WB5ULK [not sure it was my idea. – Editor], we've created the SCARS Elmer Page, located at <http://w5nor.org/elmers>, for us to celebrate Elmers; past, present, and future. We provide a place for Elmers to list their specialty, and contact information, which allows new hams to find someone they can ask questions of.

"Since this is a new section of the web site, this list is rather short. If you're willing to help others on a given topic, send a message to n5hzz@arrl.net and you will be added to the list. Right now we need lots of different categories, like antennas, radio setup, HT programming, contesting, satellite operation, high power operation, test gear, building your own gear, repairing radios, APRS, D-Star, DMR, CW, logging, etc. oh well, you get the idea.

"You don't need a PhD to be listed here. You just need a willingness to help others in a given area. It's OK to be a new ham, and be listed here. You may have just struggled through your first space contact, but you'll have infinitely more knowledge than the person who's been a ham for 40 years, and has never tried that portion of the hobby.

"Also, there is a link to the "ARRL Elmer Award" page of the American Radio Relay League's web site. Here, you can enter your favorite Elmer's name and callsign. The ARRL will print a nice certificate, and mail it to the address you enter. Yes, for FREE! This certificate can either be mailed to your favorite Elmer, or you can mail it to yourself so you can present it to them personally. Feel free to order an Elmer certificate, and present it to your Elmer at an upcoming SCARS meeting. Talk with one of the officers before the meeting to get your place on the agenda. What a great way to recognize these people for their extra efforts.

"Finally, we've got a place to list YOUR favorite Elmer in our SCARS Elmer Hall-of-Fame. This is the place to memorialize your Elmer, whether they are SCARS members, Silent Keys, or not. I've already listed a few Elmers on the list from my own travels through the hobby. We'd love to list the people that help us all succeed.

"So, please help make this page useful, visit the SCARS Elmer page at: <http://w5nor.org/elmers> and be listed as an Elmer, and list your favorite Elmers."

I think this is a wonderful idea, and I hope that you will consider doing something similar in your club. A little recognition could go a long way, and we need all the Elmers we can muster. And, if you're already doing this, please send me a link. I'll add that link to my website, KB6NU.Com.

When he's not Elmering new hams, you'll find Dan building kits and working CW on the HF bands. He is the author of the "No Nonsense" amateur radio license study guides, and blogs about amateur radio at KB6NU.Com.ou can contact him by e-mailing cwgeek@kb6nu.com

Rule Making Petition to FCC Calls for Vanity Call Sign Rule Changes

From ARRL.ORG 10/27/2016

The FCC is inviting comments on a Petition for Rule Making ([RM-11775](#)) from a Nevada radio amateur that seeks changes to the rules governing the Amateur Radio Vanity Call Sign Program. Christopher LaRue, W4ADL, of North Las Vegas, is proposing that any licensee obtaining a vanity call sign be required to keep it for the full license term. LaRue contends in his petition that excessive and frequent vanity call sign filings are hampering the ability of other qualified licensees to obtain vanity call signs in one of the more desirable 1 × 2 or 2 × 1 formats. LaRue said that since the FCC dropped the fee to file for a vanity call sign, some applicants are taking advantage by regularly obtaining new call signs, thereby keeping them out of circulation.

“Some are changing call signs almost monthly, just to keep the newer code-free Extra class operators from obtaining a shorter call sign,” he said in his petition. “I even saw an older operator that said he does it all the time and has not even owned a radio in over 6 years. When I looked him up, he has had 16 different [call signs] in 18 months.”

LaRue said his proposed minor rule change would require any licensee applying for and obtaining an Amateur Radio vanity call sign “be required to keep it for the duration of the license, which is currently 10 years.”

He said this would “alleviate a lot of the stress on the ULS system and manpower requirements” at the FCC. “It will also keep inactive amateurs from changing call signs regularly, thereby tying up call signs for 2 years after dismissal of said call.”

Interested parties may comment using the FCC Electronic Comment Filing System ([ECFS](#)). Comments are due within 30 days of the October 26 posting date.

Excerpted from the ARRL “Michigan Section News October, 2016”

Recently, Dale Williams, WA8EFK and I [Larry WB8R] have been working with officials from NASCAR (International Speedway Corp) concerning the organization of a hamfest/convention to take place in the fall of 2017 at the Michigan International Speedway (MIS) near Brooklyn, MI.

There are a number of reasons that having a hamfest at MIS is a great idea:

- | | |
|--|---|
| 1. Unlimited potential for growth | 9. Quality spaces for meeting rooms, hospitality rooms and forums |
| 2. Located in SE Michigan in the Irish Hills | 10. Opportunities for overnight camping |
| 3. Free parking | 11. A plethora of hotel rooms and unique and quaint Bed & Breakfast facilities nearby |
| 4. 24 hour Site Security | 12. Load in/out opportunities the day before and the day after event |
| 5. Large buildings that can be utilized for commercial vendors as well as for flea markets | 13. Ancillary attractions relative to the racetrack |
| 6. Paved infield areas | 14. A unique and exciting place for a hamfest |
| 7. Food services that can range from modest to downright exciting | |
| 8. Electronic ticket and vendor/flea market sales | |

How are we going to staff this venture? We are in the process of assembling a consortium of clubs to gather the necessary talent and staff to make this event successful. I will be hitting the road in the coming weeks to chat with clubs within a radius of about 50 miles of the track.

Look for more news soon.... Larry, WB8R

LCARC Christmas Party

Submitted by Keith / W8KD

Burrrrr, winter will soon be showing its face. That means that two of the radio clubs important activities are sneaking up on us. The Swap and Shop, and the Christmas Party. The Christmas Party is Wednesday, December 14th at [Sajo's](#) located at 36470 on Moravian Drive just west of Garfield Rd. It starts at 6:30 PM with a nice dinner prepared and served by Jim Sage's able staff. The menu this year includes a fourth choice of entries. You can have either Pecan Chicken, Mushroom Steak Marsala, Horseradish Encrusted Salmon, or Chicken Alfredo. There will be cake for desert. The menu includes house salad, soft drinks, coffee or tea. Alcoholic beverages are available for purchase. That evening will include the transfer of the gavel to the new president. The cost is \$20 per person. We have to provide Sajo's with a firm number expecting to attend by the end of the month, so be sure to get your ticket or make arrangements with Keith W8KD to hold tickets for you. I am sure that it will be another great evening.

Future Programs & Activities

Gregg Crump, N8GEO—Activities Manager

November 2, 2016	TBD! Last meeting before the swap. Nominations for 2017 club officers.
December 4, 2016	L'Anse Creuse Swap at "Madison Place" aka UFCW 876 Hall in Madison Heights
