[Club Nets](#)

**September  
Deadline:  
August 29th**

Next Meeting - 7:30 PM **June 1st 2016** at the Tucker Senior Center (see [last page](#) for map and address).

Meeting Program - The program for our June meeting will be as reported on [page 2!](#)

The monthly board meeting will be on Wednesday, June 8th, 2016.

Let's go on a fox hunt after the meeting on June 1, 2016. All are invited to come out and hunt the fox. Afterwards come have some pizza.

The June meeting will be the last for the 2015/2016 year. Next year we will start up again on September 7th, 2016 at 7:30pm. We will have a pot luck meal before the meeting at 6:00 PM. Please bring a dish to pass. The club will provide the hot dogs and soft drinks.

Field Day is coming up: June 25/26,2016. Please come out to Field Day and have fun with the club members, and make some contacts. Before you know it, it will be September. Have great summer and be safe. Have a great week and I hope to see you at the June meeting.

**2016 ARRL Field Day**

starts Saturday June 25th.

See the blurb on [Page 6](#).

**N8LC**

## JUNE 1ST MEETING PROGRAM

Catch up on Dayton News, talk a little about Field Day, and following the meeting is **the Annual Fox Hunt!**

Gregg Crump N8GEO

## Report of the Editor

Meeting called to order May 4, 2016 at 7:30 PM.

25 members present .

**Dale/K8RO** demonstrated the 2 meter Yaesu Fusion repeater with the actual hardware on the table at the meeting! The demo utilized Dale's Yaesu mobile rig, and Doug's (N8PYN) HT. Moved by John/N8FYL to accept the recommendations of the tech committee and install the 2 meter Yaesu repeater in "Auto-Auto" mode. Second by Matt/KD8LLT. Motion carried.

**Marty/K8HVII** gave a report on the state of the city owned generator at the repeater site. The city of Sterling Heights has done some work on the generator, but there is still no emergency power at the site. It has been determined that WiFi is accessible from the fire station. Marty demonstrated his WiFi setup developed for his camping trips. He uses a 2.4GHz yagi to reach the local WiFi, feeds the signal to a dedicated access point/router configured with DD-WRT software. The access point is connected via Cat-5 cable to another access point/router (again with DD-WRT software) that provides his private WiFi network

**Dale/K8RO** reports that the swap date and time are "locked in". The swap is now an ARRL registered hamfest. There are TWO full kitchens available at the UFCW hall. There were 79 new eQSLs and 2 cards received this month.

From 8:00 PM to 8:55 PM we had the program "In Home Care & Senior Residences", by Bob Sacko and the Michigan Attorney Generals Office.

**Break** from 8:55 to 9:08 PM

**Gregg/N8GEO** gave a Dayton trip status and Field Day update. He talked to the park (Addison Oaks)

*(Continued on page 3)*

## Report of the Editor

(Continued from page 2)

today and the price is the same as last year—\$500.00. There was some discussion about tent for this year. Everybody will be responsible for their own food this year. John/N8NXW is planning for some solar power and his helium balloon again this year.

**Treasurer's Report:** Movement of the club checking account from Chase to Huntington is done. [My notes are insufficient to report any totals]. Youth Forum amount is \$129.65.

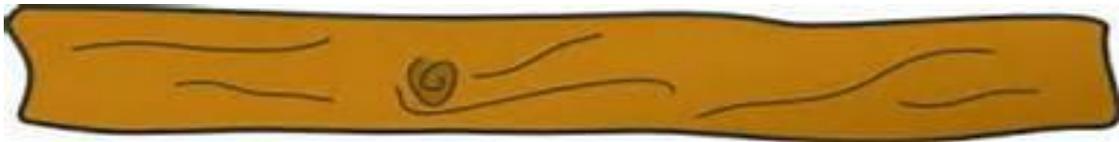

**Moved** by Ralph/W8ROI to allocate an additional \$200.00 to the Youth Forum funds for Dayton 2016. Second by John/ N8FYL. Motion carried.

**Moved** by Marty/K8HVI to allocate up to \$1000.00 for N8PYN to purchase the radio for the swap raffle at Dayton. Second by Dale/K8RO. Motion carried.

**Moved** by Marty/K8HVI to allocate up to \$300.00 for N8PYN to purchase club meeting door prizes at Dayton (and elsewhere) for the coming year. Second by Dale/K8RO. Motion carried.

**Gregg** reported that we are paying about \$27.00 per month for the repeater electric bill.

**Door Prizes:** K8HVI—tape & PL259's; N8AT, N8REZ, KC8WNL—flashlights, KE8BFW—tape & PL259s, W8KD—soldering iron holder, W8ROI—?,N8FYL—a Yaesu baseball hat. 50/50 won by Martee/KE8CVR. Motion to adjourn by ????. Meeting adjourned at 9:35 PM

### Board meeting Minutes 5-11-2016

None received prior to publication.

### News from Flori-duh

Passed along by Vince / WA8BIJ on May 24, 2016

I received the following message from Tom/WU8C, and he asked me to forward it to the members. So, here it is from the horse's mouth...

Hi Vinny,

Yes, I had a major foot operation that lasted about 4 hours after a complete breakdown. Now my right foot is filled with screws and plates as well as being non-weight bearing for the next 3 to 6 months. I am now at a rehab hospital located about 1/2 mile from my home. This will keep me here [in Florida Ed.] probably thru the Hillary coronation. There is a chance I may even be release home a Friday but will have to let you know. Feel free to pass this info on. It will be hard on me missing the Fox hunt, field day, and the festival.

Tom. 73

## Membership Report

We had another renewal at the May meeting so now there are 58 members: 47 have paid dues for 2016, 2 are "first year free" members, and 9 are life members.

At the May 2016 meeting I counted 25 members in attendance, and no guests

### YouTube Playlist of NOAX and the Spurious Emissions Band, Dayton, 2016

From CQ-Contest@contesting.com

A YouTube video playlist of the entire performance of NOAX's Spurious Emissions Band recorded Friday, May 20th, 2016 at the Dayton Crowne Plaza Presidential Ballroom is now available for your viewing pleasure, here:

<http://bit.ly/DaytonSpurs2016>

The song lyrics may be viewed in the "Description" section of each video.

- On a computer, click SHOW MORE below the title and description.
- On a smartphone, first click the little up arrow in the black section next to the playlist name, then click the little down arrow in the white section, next to the song title.

Credits:

Lyrics: NOAX

Mandolin: NOAX

Lead Guitar: K4RO

Bass Guitar: W4PA

Drums: KX9X

Guest Drummer: DL1QQ

(In Codey from Muskogee)

Backup Singers: WY7YL, NV9L

Guest Vocal: N50T

Sound Engineer: K8GT

Video: N6TV

Power Point Projector (for lyrics): W4NZ

Roadies: WF7T, K4UU

Host: K3LR

73,

Bob, N6TV

### Yet Another way to Practice Morse Code!

John / N8FYL

This [link](#) to *The Morse Code—“Head Copy” Trainer* arrived in my email inbox the other day and I thought I would share it here in the TC.

These CW practice sets can be done from the website so no need to download programs. The speed is adjustable for the various modules. It's teaching one to copy CW in one's head and not by typing the answers into the computer or with pad and paper.

<http://morsecodemasters.com/trainer/Examples/hct.html>

## Mind Over Matter

Please mark your calendar for the Mind Over Matter Bicycle event. The date is Saturday, August 6, 2016 from approximately 7 AM until noon. The location will be Lake St. Clair Metro Park (formerly known as Metro Beach). Radio operators are needed to help ensure a safe and enjoyable experience for all participants. The event features three routes:

- 1) A 2.5 to 5.0 mile route within the park.
- 2) A 25 mile route along the bike path to Freedom Hill and back.
- 3) A 40 mile route to Grosse Pointe and Back.

The event is capped off with lunch and an awards ceremony. I am looking for radio operators for the following positions.

- Net Control
- SAG Vehicle
- Bicycle mobile
- Fixed position at either a water stop or at a major intersection.

Please let me know if you can help.

Bob George, KB8QYJ      [KB8QYJ@ARRL.net](mailto:KB8QYJ@ARRL.net)

## MONROE HAMFEST

### and Computer Show

Father's Day - June 19, 2016    7:30 am to 1 pm

Presented by:

The Monroe County Radio Comm. Assoc.

Monroe County Fairgrounds    M-50 at Raisinville Rd (2 miles west of Monroe)

Free Parking

Indoor Facilities / Trunk Sales

Computers and Equipment

Distributors / Hot Food

Overnight Camping available

Talk-in 146.72

For more information and Table, Trunk and Ticket orders

Go to: <http://www.mcrca.org> Click on Hamfest in the left column

or email Fred KA8EBI at [ka8ebi@yahoo.com](mailto:ka8ebi@yahoo.com)

This is an ARRL approved Hamfest.

## Dayton Hamvention®

The Dayton attendees had a good time based on the reports I heard prior to publication of this issue. I understand that K8EO won some sort of DMR HT as an hourly door prize, and Matt / KD8LLT won a \$100.00 gift certificate to DX Engineering at the Youth Forum. This video of a portion of the youth forum captured his winning moment. See Matt at around minute 37:00.-

<http://www.ustream.tv/recorded/87164540> I tried to watch some of the live streamed Youth Forum, but the feed I found had such poor audio, and wasn't showing the projected "slides" so I gave up. Russ / N8HAR bought a new Yaesu FT-450D HF rig, which is why you see his for sale item elsewhere here in *The Tuned Circuit*.

I only received one picture from Dayton. Matt / KD8LLT submitted this image showing the new technology utilized during the prize drawing session on Sunday. This year they scanned the selected tickets which displayed the stub number in addition to announcing the number. Matt observed that he thought it slowed the announcing rate a bit, but made up for it overall due to fewer calls for number repeats.

Editor / John / N8FYL

## ARRL Field Day!

The L'Anse Creuse club will be going to our usual location at Addison Oaks County Park for ARRL [Field Day](#), on June 25th and 26th this year. Save the dates and plan to participate in this big N8LC summer operating event. Set up starts on Friday. You don't have to stay for the whole event. Come for a few hours, check out the stations, get in some operating, do some socializing, and have FUN!

Our long time VHF/UHF station from Tom/WU8C and Gregg/N8GEO will not be able to participate this year. If you are interested in providing any portion of a VHF/UHF station for Field Day, the spot is open.

It was announced at the May meeting that the club will NOT be providing the food this year. Everyone is responsible for their own food. More details to be reviewed at the June meeting, no doubt. John/N8FYL

## 2016 Christmas Party is a GO!

Just after we've had our first few days of 80 degree weather some of you are thinking about cooler temperatures. How timely that **Keith / W8KD** reports "We are on for December 14 and we were able to get a fourth selection and an appetizer for the same price as last year. It's a go, I have the contract." WooHoo! More news in the fall.

## FOR SALE

ICOM-718 HF transceiver. 160 thru 10 meters with 100 watt output. Original owner, bought new in 2000. Rig has the optional UT-106 DSP noise reduction and auto notch filter installed. Includes hand mic, DC power cable and original box. Misplaced the manual, but the manual is available on the Icom website as a pdf or I can print it if required.

Rig is an excellent condition. Asking price is \$425.

Questions? Please call Russ Price, N8HAR - 586-246-0161

## Fox Wanted!

Our annual hidden transmitter (Fox) hunt will be held after the June 1, 2016 meeting. As far as I (Editor N8FYL) know, the club is still seeking a volunteer to be the “fox” for the hunt. For the past two years we have had a non-hunting volunteer hide the “fox box” hidden transmitter (supplied by Doug / N8PYN).

The intrepid volunteer will get to choose the hiding spot, control the fox transmitter with touch tones, and watch from a distance to observe the hunters attempt to find the fox. Those teams who succeed will have their times recorded to determine the winners and order of finish. Check with N8NXW or W8KD about their experience as a “fox” if you want the perspective of someone who has tried to out fox the hunters. Let a board member know if you want to volunteer this year.

With Tom/WU8C not competing this year (see item on [page 3](#)), the Doppler class may not be very large. Get out your transmitter hunting gear, dust it off, check it out, and come hunting on June 1st.

# Peach of a Ride

Submitted by Don / N8KNS

CQ Fellow Hams

The 2016 Slow Spokes Peach of a Ride will be Sunday Aug. 28, 2016.

It's time to start recruiting radio operators to ride in sag vehicles and rest stop operators for the Slow Spokes Peach of a Ride. I am looking for any Ham Radio operators interested in helping with this year's event. Here are the details.

The riders like knowing we are out there keeping an eye on things and are available in case of a problem. There will be 22, 40, 60, 100 mile routes.

A mobile radio with mag mount antenna works best for sags. Sag operators will ride with a driver in the driver's vehicle unless you prefer using your vehicle. If you are stationed at a rest stop, a mobile rig and an antenna that can be raised 15 or more feet would be good. If you have a preference for sag or rest stop, I will try to accommodate if the position is not taken.

Meet at [Memphis Jr. High School](#), 34165 Bordman Rd, Memphis MI. 48041 west of Memphis at 7 am. Riders are to be finished by 4pm. Memphis is north of Richmond on M-19.

We will use 147.300 with 100hz.PL.This usually seems to work the best for this area. Also have 146.58 simplex in your radio just in case. I will try to monitor 147.200 with 100 Hz. PL before the ride starts.

Any questions, or if you can help please email me at [windhorstpc@yahoo.com](mailto:windhorstpc@yahoo.com) or call my home 586-978-0184. If you get my answering machine please leave your name, call sign and a call back #. and I will call back. Your help is appreciated.

Thank You

Don Windhorst/N8KNS

## Future Programs & Activities

Gregg Crump, N8GEO—Activities Manager

- June 1, 2016 We'll probably talk about Field Day, and have a Fox Hunt!
- June 25, 2016 ARRL Field Day!
- July 8 & 9, 2016 ARRL MI "[Summer Family Outing](#)"
- September 7, 2016 ? Check back later ?
- October 5, 2016 ???
- November 2, 2016 TBD! Last meeting before the swap
- December 4, 2016 L'Anse Creuse Swap at UFCW 876 Hall in Madison Heights
- December 7, 2016 Regular meeting
- December 14, 2016 Christmas Party at Sajo's
