[May Meeting Program](#)

[Secretary's Report](#)

[Membership Report](#)

[Future Programs](#)

[Upcoming Swaps](#)

[Club Nets](#)

The month of May has arrived and so has the severe weather season. I hope every one is prepared for the bumpy, hot and stormy weather changes that are to come in the next three months.

I'm doing a little bit better. I'm keeping very busy and that helps pass the time. I'm thinking about Rick every day and missing him.

I plan on putting in a small garden this year. About four tomato plants, a few hills of corn and four pepper plants.

I wish I had more room to plant more veggies since I love to garden.

This month's general membership meeting is Wednesday May 3rd at the Tucker Senior center at 7 pm. The May board meeting will be held on Wednesday May 10th at 7 pm at [Roseann's Kitchen](#). Everyone is welcome to come to the board meeting.

Debbie KC8WHN

73s Debbie/KC8WHN

[kc8whn@wowway.com](mailto:kc8whn@wowway.com)

**May  
Deadline:  
May 29th**

AHOY! IF the construction is still active at the Tucker Senior Center.  
Please enter and leave by the NORTH side door!

Next Meeting - 7:00 PM April 5th 2017 at the Tucker Senior Center (see [last page](#) for map and address).

Meeting Program - The program for our May meeting will be as reported on [page 2!](#)

The NEXT board meeting will be on Wednesday, May 10th, 2017.

**2017 [Michigan QSO Party](#)**

was on Saturday April 15th.

See the report on Page 7.

## MAY 3RD MEETING PROGRAM

**Remember  
Meeting START TIME  
is 7:00 PM**

Gregg Crump N8GEO

The May presentation will be about club apparel. Veronica Hernalsteen will be presenting club apparel that her company will be making for our club. She will be at our meeting to answer questions and hopefully bring some apparel samples for us to look at and possibly order.

We will have Veronica presenting at the beginning of the club meeting so please be there on time and let us see what she has to offer.

Maybe we can decide on some shirts for Field Day.

73 Gregg

*Veronica Williams-Hernalsteen*

*Marvelous Promotions, Inc.*

*33272 Groesbeck Hwy.*

*Fraser, Michigan 48026*

*586.285.5500*

## 2017 Mind Over Matter Bike Event

Please mark your calendar for the Mind Over Matter Bicycle event. The date is Saturday, August 5, 2017 from approximately 7 AM until noon. The location will be Lake St. Clair Metro Park (formerly known as Metro Beach), Par 3 Shelter. Radio operators are needed to help ensure a safe and enjoyable experience for all participants. The event features three routes:

- 1) The 2.5 to 5.0 mile route stays on the bike path in Lake St. Clair Metropark.
- 2) The 25 mile route ventures on the bike path out of Lake St. Clair Metropark to the Freedom Hill Loop in Sterling Heights and back.
- 3) The 40 mile route is for the more AVID cyclist, riding along Lake St. Clair Metropark to Windmill Pointe Park (Grosse Pointe) and back.

The event is capped off with lunch and an awards ceremony. I am looking for radio operators for the following positions:

- Net Control
- SAG Vehicle
- Bicycle mobile
- Fixed position at either a water stop or at a major intersection.

Please let me know if you can help.

THE BRAINS BEHIND SAVING YOURS.™

## April Foolishness at the 4/5 Meeting

The **April 5, 2017** meeting was called to order by President Debbie / KC8WHN at 7:07 PM. 19 members in attendance and 2 guests.

**Where's Doug?** No swap attendance this month.

**Repeater Update:** no tech session in March. Considering session for third Wednesday of April. Plan is to take the cabinet heaters off line.

**Marty/K8HVI** made some comments about the website.

**Net points:** Clem/W8VO announced— 6550/WA8BIJ, 5900/WG8U, 1300/N8GEO, 750/N8PYN, 450/N8REZ.

**QSL report** K8RO reported on past months activity.

**Swap Update:** K8RO informs us that our swap is an ARRL Approved swap. Cliff/AB8XQ will do VE testing at the swap. The radio to be raffled has NOT yet been chosen. Probably will wait to see what deals are available at Hamvention.

**VE Testing:** KC8WHN will be checking on testing at the Tucker Senior Center. Maybe on meeting nights in the new room that is being added to the facility.

**Membership report:** John/N8FYL reports we now have 60 members—1 more renewal & 2 new members.

**MCC Tech Night:** John/N8NXW says Tuesday, April 25, 2017, 7 to 9 PM in Room 136 in the TSR building at Macomb Community College—Warren campus (12 Mile between Hayes & Bunert).

**Board Meeting:** May 10th at [Roseann's Kitchen](#). 7:00 PM.

**Treasurers report** none. N8GEO not in attendance.

### OLD/NEW Business:

- Please consider volunteering for one of these open positions (Secretary, and Activities/Program chair), and the appointed position of Swap Chairman.
- Ted/NW8W commented on the west side of Michigan interlinked 2M repeater network. Deliberately does not include SE Michigan. Closest portal station is Jackson.
- Cathy/KC8WKN put in a request for antenna assistance for Diane/WI8K. Her antennas have been down for over a year following some home improvement activities. She needs usable antennas or her XYL want to sell her gear.
- Bob/KA8VSI presented the tri-fold brochure he has created with PowerPoint. Copies available and sent to the board. 2 target audiences: current licensed amateurs and those who are interested in learning more about amateur/ham radio.
- Keith/W8KD says the club has a contract with Sajo's restaurant for the club Christmas Party on December 13, 2017.
- More discussion about the possibility of having a club information/sales table at Gibraltar Trade Center during one of their "[Garage Sale Extravaganza](#)" weekends. Next occurrence is April 14/15, which is Easter weekend and conflicts with Michigan QSO Party too. No action.

**Break/rag chew/eat** from 7:28 to 7:51 PM.

**MIQP plans:** N8LC will be at Metamora-Hadley State recreation area. N8PYN and K8HVI will be there.

**KC8WHN** looking for someone to do some tower work.

**Door prize drawing:** N8PYN has the first ticket selected. He chooses the nifty multi-meter and then exchanges it for guest Trey's ticket!, K8HVI, and N8FYL also had lucky tickets

**50/50 drawing:** Guest Trey has the ticket that lets him take home \$12.00.

**Motion to adjourn** was made by somebody, second by somebody else. Meeting adjourned at 8:06 PM

Provided by your *Tuned Circuit* editor; John / N8FYL

## Membership Report

Membership is unchanged in the last month and now stands at 60 members: 47 are now paid up through 10/31/2017, 2 (W8ROI, KA8VSI) are paid up through 10/31/18 and 2 (K8LFE, N8CAM) are paid up through 10/31/2019, and 9 are life members.

I counted 19 members and two guests present at the April meeting.

John N8FYL

04/26/17

## Help Desperately Wanted

Secretary. **No** experience necessary. Skills needed are note taking, and using email. Duties: take notes during LCARC meetings, type them up on your computer, and email them to *The Tuned Circuit* editor. Perks: you become a member of the LCARC Board and get to sit at the front of the meetings!

## 2017 USECA Hamvention Bus Trip

### Seats Still Available as of April 26th

USECA will be doing a Hamvention bus trip once again in 2017. Mark your calendar now and keep the date clear (*Saturday, May 20th, 2017*) so you can do Hamvention with USECA!! Our non-stop bus ride is the shortest ride and closest in the area. We get you there before it opens in comfort and style. There's power at every seat, video screens, and a bathroom aboard. Plug in your HT, phone, laptop, or DVD player and ride in comfort!

The bus will load at 4 AM and drop us off ~9 PM in the parking lot at the Walmart at 14 Mile & Van Dyke. Bus parking at Dayton has always been very close to the main doors, meaning no shuttles. The bus will depart Hamvention at 5 PM. See our registration form for more details.

See one of USECA's board members for a registration/reservation form or print and mail in the form in the attached file (be sure to reserve and pay in full *early*.. wait and you may miss out). Total cost for 2017 is \$55 (roundtrip) and does NOT include your Hamvention entry ticket. Just \$20 reserves your seat till mid February (monies are non-refundable). Hamvention will be all-new this year in it's new venue... Make a little plan Stan. Just get on the bus Gus. Don't miss hamdoms biggest event!!.

If you mail in a *reservation* (\$20), note that it must be "*paid in full*" by Feb 13<sup>th</sup> 2017. After Feb 13<sup>th</sup> only "*paid in full*" (\$55 total) seat sales will be accepted.

If you need more info or have questions email me  
([n8kc@arrl.net](mailto:n8kc@arrl.net))

...hope to see you on the bus! Ken N8KC

## Macomb Community College “Lab Tech Night”

By John / N8FYL

John / N8NXW provides members access to an electronics lab at Macomb Community College for a couple of hours one night a month. Lately it has been on the last Tuesday of the month, from 7 to 9 PM. Have you wondered exactly what its all about? I have, and on April 25th I was able to attend my first “Lab Tech Night”.

Above is the entrance to the Advanced Technology Center building. From the lobby, head through the door to the right, labeled “R”. Turn left immediately and soon you will see:

Enter and pick out a spot to work on your project. Nice wood top, tall work surfaces with plenty of 120 volt outlets, and even a PC if you need to look up something on the Internet.

Below is fairly regular attendee Doug/N8PYN digging into his project de jour—a dead Icom IC-751 belonging to Ted/NW8W.

In the background is the cabinet with all the amateur radio equipment in the colleges collection. Below is a picture of the cabinet.

(Continued on page 6)

(Continued from page 5)

It's not easy tell from the size of the photo but there is a Ten-Tec Paragon, power supply, a HeathKit receiver, a 2 meter FM radio, a CanTenna dummy load and assorted other amateur related equipment stored in this cabinet. Since JohnN8NXW unlocked it when we were there, I assume it is locked most of the time for safekeeping.

I worked on the DS0138 [Digital oscilloscope kit](#) I've had for a while. Using a soldering station from the college's equipment supply, I was able to make progress with the first surface mount parts work I have ever done. Wow, those chip resistors, in the  are small. I'm sure glad the kit included some extras because one managed to disappear! In this kit these resistors are about the size of half a grain of rice!

The height of the work surface and the lighting in the room made it easier for me than if I was working in my home.

Maybe next month you'll be taking advantage of this resource to make progress on one of your ham projects.

## USECA Hamvention Bus Trip 2017

### Seats Still Available as of April 26th

USECA will be doing a Hamvention bus trip once again in 2017. Mark your calendar now and keep the date clear (*Saturday, May 20th, 2017*) so you can do Hamvention with USECA!! CQ MIQP CQ MIQP N8LC MIQP

**Michigan QSO Party 2017**

The LCARC  
operates the  
Michigan QSO  
Party from

in Lapeer  
County using  
the club call  
N8LC.

Submitted by Doug / N8PYN

Doug N8PYN and Cathy KC8WNK brought their camper. Marty K8HVI and family rented the camper cabin. Marty and Doug put up two antennas, a G5RV and a 40 meter double bazooka on Friday. They tested them using a Marty's SWR antenna analyzer.

It was a beautiful spring day on Saturday. Matt KD8LLT came up for the day. Matt and Doug set up the station on the picnic table using Doug's [Kenwood TS-480](#), a [Tigertronics Signalink](#) and a laptop using [N3FJP software](#). We had three operators and entered as a multi op. We ran SSB on three bands: 20 meters, 40 meters and 80 meters. MIQP is a 12 hour contest to work US states, Canadian provinces and Michigan counties. We started on 20 meters at the beginning of the contest. Switched to 40 meters and then 80 meters later in the event. We logged 182 QSOs with 41 Michigan counties and 33 US States and the DX of US Virgin Islands. A good time was had by all.

Marty / K8HVI operates. In the background is Doug / N8PYN "screwing" around with some ground anchors. HiHi. Notice the essential operating aids on the table: cookies, beverages (especially that big bubba by Marty's left elbow), and an orange stuffed animal? I don't think they plan to use the CW key.

Doug / N8PYN having a picnic putting the contacts in the log. A close look reveals a slightly different selection of beverages that have kept the team hydrated, and the CW key is still not plugged in. [Editor]
