September Meeting Program

The Secretary's Report

Membership Report

Future Programs

Upcoming Swaps

Club Nets

The Deadline for the next TC: Monday October 26

Next Meeting

7:00 PM October 7, 2026

at the Tucker Senior Center (see last page for map and address) with Zoom video conference access.

Meeting Program - The program for our meeting will be as reported on page 7!

The NEXT board meeting *might* be on Wednesday, October 21, 2026, via Zoom. Click here for details.

The Prez Sez

Well, as I write this [September 21], I am currently over on the other side of the state, in Ludington, MI at a Bed & Breakfast. Our daughters and families got us a gift certificate for Christmas, so we are trying a new experience. Since this was my week to be net control for the six-meter net, I was able to run it using my remote app on my phone to my station at home. Thanks to Dave N6WY for commenting on my audio, I got it adjusted to be better understood. All the six-meter net controls are VE's and were at the test session tonight, so probably no one would have been available for net control.

The first weekend of October has us and several other members of the club doing their last camping trip of the year at the Boo Bash at Addison Oaks.

The new repeater controller is close to being ready to install if life slows down enough to pay attention to it. I hope to have it installed soon. I know I've been saying that all summer, but hopefully things are slowing down as summer is ending.

October 28 through November 3, Michigan again is going to be able to operate as W1AW/8 for the ARRL America 250 award. If you're an ARRL member, and would like to operate, you must first contact Fred K8NGW fschebor@arrl.net . Once he approves you, he will send you a welcome packet and further instructions. There will be a sign-up sheet, so we don't have 2 people on the same band, mode, and time, but there is ample time for anyone who would like to operate. If you have any questions, I would be glad to try and answer them.

Upcoming events: our swap, election of officers, Christmas party, and Winter Field Day.

Hope to see you at the October meeting or on Zoom.

Dale K8RO

From Your Editor: You may notice that this edition looks a bit different. That is because I have transitioned from Microsoft Publisher to Microsoft Word to create the newsletter. The reason is that Microsoft Publisher is being retired (as in won't work, per Microsoft) in October 2026. Learning how to produce the newsletter with Word has taken more time than I had hoped, hence the later than usual publication. 73 John/N8FYL

Report of the Secretary

Submitted by Dennis Ruth / AC8JH

Call to Order:
Dale/K8RO called the September 2nd, 2026, LCARC general membership meeting to order at approximately 7:03 PM at the Tucker Senior Center. A Zoom session was also available for those not able to attend in person.

Roll Call: The following members were in attendance:
Jim/AC8DO, Tom/WU8C, Keith/W8KD, Lito/K8AJJ, Ken/N8KC, Don/N8BWG, Marilynne/KD8PBG, Ron/KF8CFR, Mike/N5WCS, Dennis/N8MKG, Garry/KD8JM, David/KF8DFD, Scott/K8DX, Don/WN8IZV, Mike/WS6O, John/N8FYL, Ralph/W8WOI, Joe/N8HAP, Russ/N8HAR, Hal/W8HJP, Marty/K8HVI, Doug/N8PYN, Gregg/N8GEO, Rick/K8RWM, Denny/AC8JH, Blue/W1BLU

On Zoom: Tony/KD8SRQ, Bob/KB8QYJ, Mark/N8ALZ, Jeff/W8LP, Scott/N8SY

Visitors: David/K8DFD [and new member], Scott/N8SY [ARRL Great Lakes Division Director].

FCC license upgrades: Nothing new this month.

June Meeting Minutes: Dale/K8RO asked for a motion to approve the June 2026 meeting minutes as posted in *The Tuned Circuit.* The motion was made by Tom/WU8C and seconded by Mike/N5WCS. The motion passed.

Treasurer's Report: Gregg/N8GEO

Total amount in the account is	$17,246.72
The Youth Forum Fund has	$1867.23
Total available (unallocated) is	$15,379.49

Gregg said he paid for club insurance and put up a down payment for the hall for the next club swap. A motion was made by Rick/K8RWM and seconded by Russ/N8HAR to approve the Treasurer's report. The motion passed.

Upcoming Swaps: Doug/N8PYN, GM Swap is coming up Sept 12, 2026, and the Adrian Swap is Sept 28, 2026

Repeater Report: Dale/K8RO updated us on the repeater noise problem we have been having. The scratchy noise happened once recently, and we are still looking into the problem. Dale/K8RO purchased a new repeater controller, and he is in the process of configuring it to the repeater. Jeff/W8LP and Dale/K8RO will update us about progress setting up the new controller. Dale is looking for anyone with experience with AllStar link software.

Transmitter Fox Hunt: Ken/N8KC talked about his adventure being the FOX this year. He hid over by the Clinton River where he enjoyed watching people (yours truly) drive right by him and come back 10 minutes later, in last place! Dale/K8RO and his team got there first, Jeff/W8LP and his crew were right behind them. Everyone had a great time, and we went out for pizza and drinks after that.

ARRL Report: Hal/W8HJP updated us. ARRL is still seeking full-time help for several positions. Please check out their website for latest news. ARRL is asking for contributions for the Spectrum Defense fund. Hal is a member of the CRS group (can't remember stuff), a friend of his posted interesting website about local hams near you, go to QRZ to find local hams in any city. You can also use this site, HTTP://www.dxzone.com/dx34971/amateur-radio-license-map.html.

Net Points: Dennis/N8MKG - Tony/KD8SRQ 250 points, Dave/N6WY 300 points, Dave/W8WWP 500 points, Lito/K8AJJ 650 points, Dale/K8RO 750 points, Mike/N5WCS 1000 points, Gregg/N8GEO 3050 points, Tom/WU8C 5950 points.

QSL Report: Dale/K8RO, Field Day report, Dale logged 81 QSL's, 14 satellite contacts, see Dale for the listing.

Membership Report: John/N8FYL. We have 103 members of which 4 are life members and 24 are getting the first-year free membership.

Tuned Circuit: John/N8FYL. The deadline for next *Tuned Circuit* newsletter is Monday September 28, 2026. John said that many people did not receive the *Tuned Circuit* is ready email due to spam cop filters logging any email from ARRL as spam emails. So, if you are wondering if the next *Tuned Circuit* has been published, go to our website and check.

Siren Testing Update: Marty/K8HVI reported that for the August testing all 13 tested good. September testing will be mostly in SE Macomb County. Please check the website and help.

Swap Report: Russ/N8AHAR said the swap is always the first Sunday in December and our swap is December 6, 2026, from 8 am to 12pm at the Balkan Community Center on Big Beaver Road in Troy between John R and Rochester Road. It's a great place to sell some of your equipment. Russ is looking for volunteers to help with the swap.

VE Testing: Gregg/N8GEO.said the next test sessions will be September 21, and November 16, and at our swap on December 6. Gregg thanked all the VE's for their help but could use some more help, so check it out and volunteer.

Field Day Report: Marty/K8HVI talked about this summer's ARRL Field Day. We had 3 HF stations and a satellite station. We had 28 visitors and made 344 CW contacts, 270 Digital contacts and 203 SSB contacts. We had 8 campers and a great time.

LCARC Board meeting: The meeting will be on September 16, 2026, at 7:30 pm on Zoom. Everyone is invited.

New Business: Gregg/N8GEO talked about the upcoming Christmas party on December 9, 2026. Some club members' wives planned it, reserved the location, made the deposit, and ordered the cake and gifts. The party will be at the same place as last year, Aspen Restaurant on Hall Road, from 6-9 pm.

Membership dues are due again. Cash, check, or PayPal is accepted.

Close: A motion was made to close the meeting; the motion passed at 7:56 pm.

2026/2027 LCARC club dues are due *NOW*

Bring your money/check and either
the pre-filled form that I hope to send out before the October meeting
OR
the Membership Request form on page 15 of the September 2026 newsletter

to the club meeting and give them to our Treasurer Gregg, N8GEO,
OR remit your payment as instructed on either form.

Board Meeting Minutes

By Dennis/AC8JH

Meeting Held on Zoom: President Dale/K8RO called the September 16th, 2026, LCARC board meeting to order at approximately 7:30 PM

Present were Dale/K8RO, Marty/K8HVI, Russ/N8HAR, Doug/N8PYN Dave/W8WWP, Dennis/AC8JH.

Repeater update: Dale/K8RO discussed the new repeater controller. He has been adjusting audio levels and testing out various commands and options that we may use for normal operations. He feels one more tech session and the controller should be ready for installation. Dale and Marty talked about the meeting regarding the roof leaking they had with the fire department and Sterling Heights maintenance manager. They had a positive meeting but have not heard back. They will call again for an update before next club meeting.

Portable generator: Dale/K8RO discussed the portable open frame generator stored in the repeater shack. We need to check it out and decide what to do with it. Selling it is an option. We decided to keep the generator inside until we sell it.

Dehumidifier: Ken/N8KC donated a dehumidifier to the repeater shack. We need it running to lower the high humidity in the shack.

Treasurer's Report: Gregg/N8GEO;

Total amount in the account is	$19340.00
The youth Fund has	$1,867.00
Total available (unallocated) is	$17,473.00

Club non-profit status: Marty/K8HVI updated the club non-profit status of the club. We will have it complete in a couple of months. He will write up the paperwork and present it at the next club meeting. Marty will send the information to John/N8FYL for inclusion in *The Tuned Circuit*. After that it will be added to our club EIN and By-Laws and submitted to the state.

Close: A motion was made to close the meeting by Dale/K8RO. The motion passed at 8:25 pm.

Meeting adjourned at 8:45 PM.

Knowledge alone is not power. Used knowledge is power.

VE Test Session

Well, another test session was completed on September 21, 2026. We managed to have only one person come in to take the test, but it was a great one. The candidate came in to get their Technician ticket and that is what they received. He tried for the General (with everyone's coercing) but didn't make it. But he gave it a try. His family sounds like they are all hams and he was very excited to take his exam now that he's retired. We might have a new member of our club. He said that he would try to make October's meeting. I sure hope so.

Thanks to all the volunteers that showed up for this session. I'm always a little concerned if we will have enough reviewers for a testing session. But you guys never let me down. So, thanks again. If anyone wants to help at a testing session, please let me know. There are plenty of tasks you can help with that do not require you to be a certified Volunteer Examiner.

73, Gregg/N8GEO

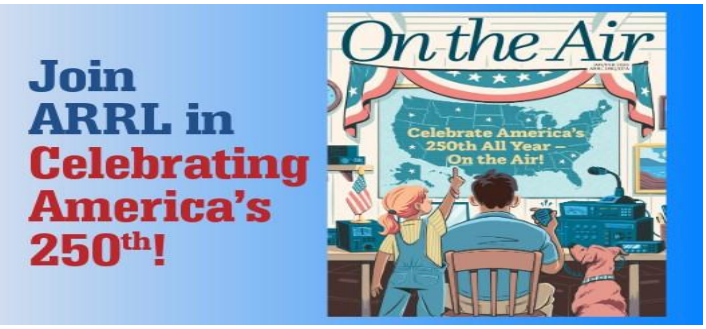

LCARC Christmas Dinner

Well, it's that time of year again for the annual LCARC Christmas Dinner. It's open to all club members and guests. Everyone pays for their own dinner. Dinner includes a choice of entree (usually either chicken, steak or fish), non-alcoholic drinks and a dessert. We have not received the choices for the entree yet, so stay tuned,
Location: Aspen Restaurant on Hall Road (same place as the last few years)
Date: Wednesday, 12/9/26
Time: 6:00 PM

Aspen Restaurant ~ Bar ~ Banquets ~ Catering http://aspenonhall.com
20333 Hall Rd, Macomb, MI 48044
(586) 226-8838

We have plenty of time before this event. I will keep you all informed of any changes and about the entree choices. I hope to see you all there.

73, Gregg/N8GEO

2026 LC Hamfest Information and Tentative Schedule

Our LCARC hamfest/swap date (December 6) is fast approaching. Club members can help promote the event by mentioning the Hamfest at club events, information nets, other radio club nets/meetings, etc.

With all our collective "voices", we can make this swap a success!

As in past years, I am asking for volunteers to help on Saturday, December 5 (time TBD) and of course, the day of the swap.

Tentative Schedule:

SATURDAY, December 5, 2026 (time TBD)

Room setup (setup/arrange tables per layout) and Kitchen setup

A few vendors will arrive to set up their area.

SUNDAY, December 6, 2026

6 AM – Rick/K8RWM and Dave/W8WWP– help vendors park and direct them to main entrance

6 AM – Kitchen – Robin (Gregg), Elaine (Mike) ***Operate/manage the Kitchen*** activities.

6 AM – Dale/K8RO and Marty/K8HVI – help with the vendor intake at the main entrance

7 AM – John/N8FYL – food concessions cashier

7 AM – Dennis/N8MKD – club table (stage) - hourly door prize announcements

7:30 AM – Ken/KD8RJN and Fritz/KE8BFW – sell admission tickets at the door (No radio raffle this year)

8 AM—noon – all others for various activities (club table, VE testing, etc.)

****** NOTE: The club members that are listed above have graciously volunteered every year.**

I am assuming these folks will help again in 2026. If that is not the case or if there are L'Anse Creuse members who would like to volunteer to help, please let me know.

I truly appreciate everyone's support!

Thanks.

73, Russ/N8HAR LCARC Hamfest Chairman

L'Anse Creuse Amateur Radio Club

53nd Annual Swap & Shop

SUNDAY, DECEMBER 6, 2026

See the flyer HERE

OCTOBER 7TH MEETING !!!

Jay Aho/N8QYQ will be attending our October membership meeting to give a presentation regarding the installation of Winlink and an APRS Igate at the Masonic Temple.

Meeting time is 7:00 PM

Membership Report

New members following the June report: David/K8DFD, Mike/WS6O, and Joe/WD8ABX, and Aiden/nocall.

The member count on September 30 is 103 (99 regular members of whom 25 are "first-year free" members, and four Life members).

Our club fiscal year runs from November 1 to October 31. That means to remain a member in good standing it is time to pay your dues for your next year of membership.

John / N8FYL — 09/30/2026

The next LCARC administered VE test sessions are scheduled for at the Tucker Senior Center.

Doors open at 6:00 PM and testing start at 6:30 PM

VEs Please be there by 5:45 PM.

Contact Gregg Crump n8geo.ham@gmail.com

If you are interested in becoming a VE give Gregg a call at 586-738-2487

Contest University Celebrates 100 Years of Yagis

The Yagi-Uda beam antenna was invented 100 years ago, in 1926, and Contest University (CTU) is celebrated its centennial with a live Zoom webinar on Saturday, September 19, 2026, at 1600 UTC (noon Eastern). The free webinar, titled "The Yagi Turns 100," was presented by Greg Ordy, W8WWV, and was available online at w3lif.org/yagi. Ordy walked through the history of this amazing antenna that has been a mainstay of amateur radio DXing and contesting for a century. Contest University Chairman Tim Duffy, K3LR, and Scott Jones, N3RA, monitored the chat during the presentation and relayed questions from viewers to Ordy at the conclusion of his talk.

The recording of the webinar is available at W8WWV – The Yagi Turns 100 per the Contest University website https://www.contestuniversity.com/files/.

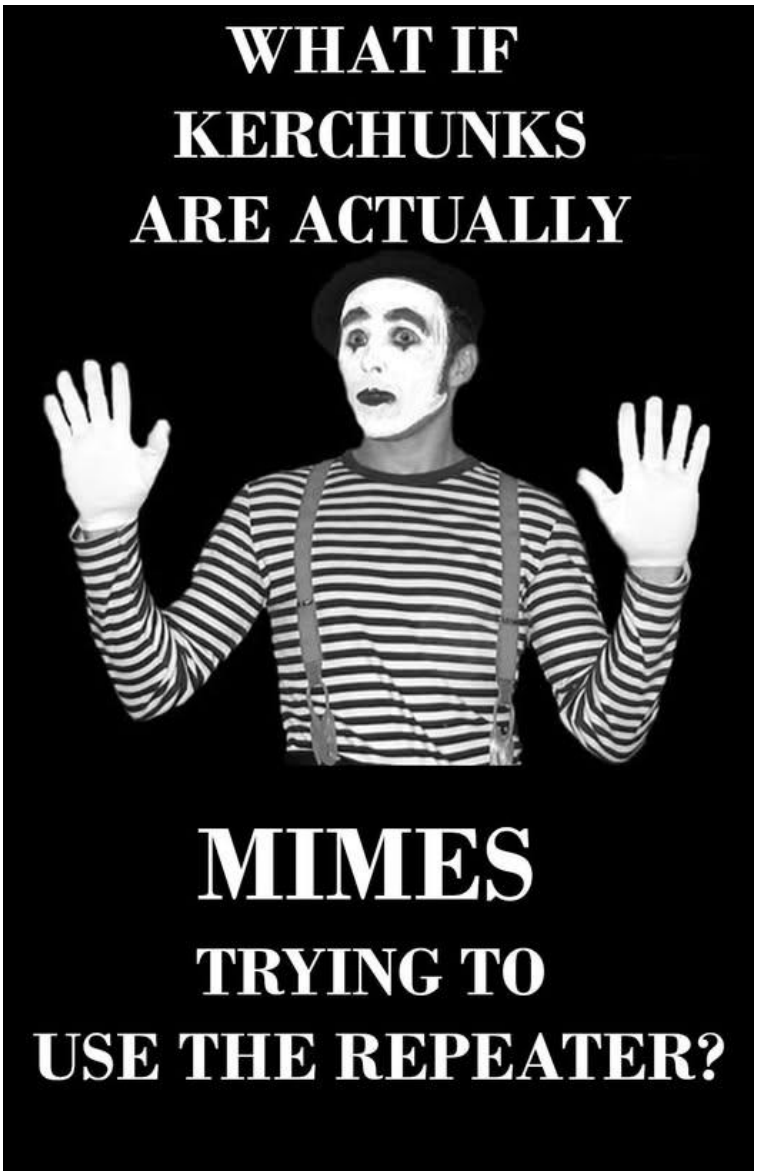

[Article modified from information in the ARRL Letter of September 17, 2026

I saw this picture on Facebook and thought it was interesting enough to share with the newsletter readers.

Did they get the colors correct?
