In the following, the ‘...’ signifies a pause, and you should pause longer if the word you voiced is longer. I have prowords in parentheses, and any comments (which you won’t voice) in brackets. The place of origin state can be either Massachusetts or MIKE ALPHA. Whoever receives this will use the state abbreviation anyway.

This would be voiced as:

[I spelled Joe since it could be just ‘Jo’. I did not spell Hobnob twice, just in the preamble.]
