Welcome to February

Please note the meeting has been changed to February 6th at 7:30 PM instead of February 13th. This meeting will be informative about the needs for many volunteers for the Flea Market set up and the actual Flea Market.

Volunteers will be needed for set up on Friday, February 14th at 6PM until completed, Saturday, February 15th, volunteers at many times during the morning from 6AM for getting started, opening doors for vendors, and showing vendors where their table or space is located, food table volunteers all morning. Around 8:30 collectors for attendees, and at the door assisting directing folks to testing, or waiting for opening. During the rest of the morning, collectors at the door, and bus riders. Clean up starts about 11:30, taking down signs and picking up any junk left by folks, loading cars for the storage or clean up, many hands means all clean up goes quickly. Other places will need assistance. If you cannot attend the meeting and will volunteer some time, please email me.

Thank you to all as this is the only fund raiser all year to assist in paying the club expenses.

Ann, KA1PON

Please remember to mention the Flea Market to all ham radio friends.
