### President's Corner

At our January meeting Skip Youngberg K1NKR gave us an informative presentation on GPS in Amateur Radio.

The new Algonquin Amateur Radio Club Polo shirts are finally in, some were distributed during the exam session on January 24th and we hope to distribute the remainder of them at the February 5th meeting.

I have been informed, thanks to Eric KV1J, that the new notebook for the repeater has been installed and is working well. George N1ABC has also been helping Eric out on Sligo Hill and with Win-link

We can use a few more volunteers for our Flea Market. Setup is on the evening of February 13th at 6pm and the Flea Market on February 14th. So please let me know at the meeting if you can help out or email either Ken KA1GFN or Me at president@n1em.org or WA2KRS@gmail.com if you can help out.

Our next meeting will be a week early due to our Flea Market. Looking forward to seeing everyone on February 5th at the next meeting and at the Flea Market prep February 13th or the Flea Market on February 14th.

Hoping for nice weather for the Flea!

Glenn Ghidaleson WA2KRS  
President
