President's Corner

Thanks to all of the club members for their support and engagement in the last year. We were fortunate to have many successful and well-supported events prior to social-distancing restrictions including the Labor Day Parade, Fall hazmat day, Halloween schoolwatch, the banquet, and of course the flea market.

Congratulations as well to the newly-elected and re-elected officers.

Our June 11th virtual meeting will be hosted at a special time of 6:30 p.m. to allow the club to hear from the ARRL New England Division director, Fred Hopengarten K1VR.

Happy Summer, and I look forward to seeing everyone (possibly in person!) in the fall.

73, de Mike w1ku

AARC Sunday Night Net

Please join us every Sunday Night at 7pm on the 446.675 repeater (PL 88.5 / -5.0mhz Offset). You do not need to be a member of the club and all licensed amateur radio operators are welcome to check-in. Currently seeking additional net control operators on a rotating basis. Contact Joe, KA1GDQ, if interested.

Online Skywarn Training

If you are interested or thinking about being a SkyWarn spotter, here is the link for the training.

June Meeting

The next AARC meeting will be held on June 11th at **6:30pm as a virtual meeting**. Information on joining the meeting will be provided via email prior to the meeting. See President's Corner for additional information, including the presentation for this meeting.

Field Day, June 27 - 28

This year Field Day will not be held in the usual manner. Instead of from the EOC, members will instead operate from home or remotely. Members will use their own call signs and must operate only on frequencies allowed under their call sign. Logs will be submitted to Joe, KA1GDQ, who will combine and submit the results for the club. Additional details, including logging, will be sent out via email prior to Field Day.
