7. Current and Planned Objectives:

- a) Have a TON OF FUN!
- b) Introduce participants to Incident Command System procedures
- c) Introduce participants to HF/VHF/voice/digital methods of communication in emergencies—both as relates to EOC's and Hospitals
- d) Discuss LEADERSHIP and provide ample ideas for participants to take home and energize their home groups
- e) Try to get as many people as possible doing HANDS-ON activities --- you'll be hoisting antennas, building antennas, sending messages, reading ICS documents, possibly MAKING ICS documents, hearing experienced speakers tell of their woes and successes.....
- f) Send you home with a head full of ideas – and we're working to get you a written book on this as well from our presenters, which we hope will be ready in time for the conference.
