shawn panye
ed gray
gordon gibby
susan halbert
chris carr
karl zawoy.

1. Motion to approve the previous minutes, passed.
2. Congratulations to everyone who passed a higher license at the most recent examinations. FIVE NEW EXTRAS in last few months and a new GENERAL
3. Motion to change the name via constitutional amendment, after required notice (via email); Motion made, passed without opposition. North Florida Amateur Radio Club. Concurrent motion for the Trustee to file necessary paperwork to change the registered name with the FCC.
4. Brief Adjournment to hold EOC Club meeting.

EOC Club;
Motion to get jeff to get a license
seconded.
Unanimously passed.
5. Offer to get voice leadership.--- no one is yet interested in taking this on....
6. Traffic reports: KX4Z did approx. 183. ARES didn't do any traffic.
7. Discussion of the logbook of the world.
8. Suggestion: Thursday night is voice; what about a digital net on another night?
(inconclusive discussion)
9. Rosemary needs an outside antenna to get to 685.
10. Gaining more digital skills: Vann would like to send out some bulletins; to report back on the voice repeater. His plan is to try Unconnected packets on 145.070 with voice response/tutoring on 145.685.
11. Mention of the Section PSK31 net on 3590. Sunday evenings. Info on the NFL ARRL e magazine.

12. WONDERFUL SSTV TRAINING SESSION HELD BY KARL ZAWOY, with helpful assistance from Shawn Payne. Mutliple people were soon transmitting and receiving SSTV over 2 meters.

13. MESH TRAINING PACKAGE --- connection was demonstrated, and the various screens of the Ubiquiti / AREDN were shown. The switch between AX.25 and MESH wasn't working.
