

## Diploma dei Comuni Del Veneto

The “Sezione A.R.I. Mestre” issues a new permanent diploma called “Comuni del Veneto”.

This diploma is free of charge and is issued only electronically in the format of a JPG or PDF file ( please specify which you prefer ) for contacts/heards with stations located in different Comuni ( Comune is the smallest administrative entity on the territory ).

**QSOs are valid from January 1, 2000.** QSOs with /P or /M stations are accepted provided the QTH is stated on the QSL itself. eQsl are accepted. QSOs via repeaters are not allowed.

The Regione Veneto ( North East Italy ) is made up of 7 provinces ( a province groups more Comuni ). They are **Belluno** (ZIP 32xxx), **Padova** (ZIP 35xxx), **Rovigo** (ZIP 45xxx), **Treviso** (ZIP 31xxx), **Venezia** (ZIP 30xxx), **Verona** (ZIP 37xxx), **Vicenza** (ZIP 36xxx). In total there are 581 Comuni.

The diploma is issued in the following classes for **stations outside of Italy** ( Stations from HV, IS0 T7 are considered as Italy )

### **HF** :

**Class 1** – you need 80 Comuni from stations located in all 7 Veneto provinces;

**Class 2** – you need 40 Comuni from stations located in at least 6 Veneto provinces;

**Class 3** – you need 15 Comuni from stations located in at least 3 Veneto provinces;

### **VHF+** ( 50 MHz and above )

- You need 30 confirmations from Comuni located in at least 3 different Veneto provinces.

Upgrades are granted for every 10 new Comuni confirmed on both HF and VHF+

The most active hams can receive the Honor Roll for confirming at least 300 different Comuni ( 200 if on CW only ) on HF, and 75 Comuni in VHF ( using any mode or single mode )

The diploma may be issued in the usual endorsement of “CW”, “SSB”, “Mixed”, “RTTY”, “PSK”, “DIGIMODES”.

QSL cards are not required but they must have been received by the applicant. In case of any doubt the award manager may request any QSL for verification.

You can download a fac-simile of the application – GCR – from <http://www.arimestre.it/diploma-dizione/diploma-comuni-del-veneto/english-2/> or you can make your own but respecting the main scheme with all needed details.
