

The rules of award:

1. Regulations of the Award "20 years of active amateur radiocommunication service on the International Space Station".
2. The issuer of the award is the Polish Amateur Radio Union (PZK) in cooperation with the ARISS and the organizers' special stations: **HF20ISS, SN20ISS, SN3ISS, HF7ISS, HF8ISS, HF9ISS, 3Z20ARISS, SO1SS**.
3. The award activity lasts from **November 13 to December 21, 2020**, on all bands and emissions under the local regulations. We encourage you to conduct contacts through repeaters or transponders located on satellites.
4. The activity can be also supported by other stations. They can join any time during the activity period. List of the stations will be available at <https://ariss.pzk.org.pl/20yHAMonISS/> and in the SPLOG system. two-way contact with those stations is counted as with the organizer's station.
5. The requirement for obtaining the Award (Diploma) is establishing two-way radio communication:
 - a) by stations from Poland with at least four different organizer stations.
 - b) by stations operating from the territory of Europe (except Poland) with at least two different stations of the organizers.
 - c) by stations operating outside Europe with at least one of the organizers' stations.
6. The awards (diplomas) are only in electronic form and are generated automatically after meeting the above-mentioned conditions. The diploma file can be downloaded from the SPLOG system. More details will be available at <https://ariss.pzk.org.pl/20yHAMonISS/>.
7. There will be no diploma for SWL listening stations. A separate endeavor only for SWL stations will be available at <https://ariss.pzk.org.pl/20yHAMonISS/#swl>.

End of the rules.

Additional stations outside Poland:

- ARISS Ground Station in Italy: [**IK1SLD**](#).
- **F4KLX** - the radio club of the [**ISS Fan Club**](#).
- **TM20ISS** - special occasion callsign from France.
