

OREGON EMERGENCY NET PREAMBLE

The Oregon Emergency Net is dedicated to public service with members in and out of the State of Oregon.

This Net meets daily at 6:00 and 7:00 pm on or about 3,980 khz.

This Net handles into Oregon, out of Oregon and intra Oregon traffic.

This is a directed net and this is _____ Net Control station. Relay Stations break the net with word "Relay" followed by your call. Other stations break the net by giving your call only, until recognized by the Net Control.

Net is now open for Traffic or Contact Listings? RELAYS

Any QST's or Announcements? RELAYS

Mobiles anywhere for the OEN? RELAYS

Emergency gear check in at this time. RELAYS

We will go ahead with the Regular roll call.

This is _____ Net Control for the OEN.
