Voice Frequence ?
Message:
Hello Valery,
I have a question, can you tell me what the frequence are that you use for
voice contacts with Europe ? Pleace tell me the Up and dowunlink frequence.
I have try differend times, but you don't here me. So I think that I must use an
other uplink frequence. So what's the Uplink frequence that I must use ? I hear you
here very well. Yesterday on 10:00u UTC your signal was 599+10dB. So greetings and I
hope I have succes next time.
Greetings '73s ON4CKT Rudy.
