

You've had enough searching for a **suitable place** and the **necessary space** for a **huge outside antenna** for **LW, MW and SW reception**?

Or has your beautiful home suffered from the **last antenna project** that put **just a bit too much** mechanical load on the wall?

Don't hesitate any longer – and finally...
DO THE RIGHT THING RIGHT NOW!

But what...?

Don't hesitate any longer – and finally...
DO THE RIGHT THING RIGHT NOW!

Twelve Feet?
REALLY ? ? ?

Don't hesitate any longer – and finally...
DO THE RIGHT THING RIGHT NOW!

Twelve Feet?
NO WAY!!!
