### Visitor(0):

Meeting was called to order at 10:00 by President Gary Elliott.

- Museum Ship's Special Event: Gary reported that the event went very well. Peter and Sharon helped out. The total contacts without duplicates will be reported later.
- There will be a pancake breakfast on the ship on August 10th.
- Phil Dunlap brought newsletters to share from the Marin Amateur Radio Society.
- The USS Hornet had a Military equipment gathering in July. A number of members attended.
- Jim and John reported that the antenna trunk work continues. It needs gaskets and welding.
- Peter reported that the QSL cards have arrived and that Gary is making a donation to pay for them.
- Henry reported that work continued on the FT-106 during the Museums Ships Event. Operation was within "noise" limits for 80 and 40 meters, 20 meters was close, but that no way we can operate on 15 meters.
- John also reported that he is helping with the wiring of #4 hold. And that there was some video taping done aboard that will be shown on one of the cable channels.
- Charles reported that there will be an executive meeting on Tuesday 1200 noon.
- Alan reported that the annual "Night of Nights" took place on July 12th. This is a Morse code broadcast from stations, KPH and KFS. Operating on many MF and down to 500 MHz.
- Ivan reported that MS Windows has holes in it(are you surprised Ivan?!?! I'm not). Patches are available... Or there is a Linux conference coming up. (or you could use a Macintosh!)
- The meeting was adjourned 11:00 AM.

The next meeting will be 10:00 AM PDT on Saturday, September 6, 2003 in the Officers Mess.
