Meeting was called to order at 10:00 by President Gary Elliott.

The meeting minutes for May were reviewed and approved.

The following items were reported:

- The ROV will not be moved until around Jan 2005.
- Radio antenna trunk has been moved to the proper deck - thanks to the Deck crew. It still requires painting and installation.
- Gary stated that he had the club station on the air for Memorial Day - he made many local contacts.
- There will be a Pancake breakfast for Father's Day on the ship.
- For any new projects on the ship members need to submit a plan detailing: the work, budget, and schedule; for approval by the club.
- Following the meeting there will be a "Ribbon Cutting" for the Rosie the Riveter National Park. This will be located at the interim Richmond City Hall. Capt Nolan has volunteered some military vehicles to add to the atmosphere. Ivan will be a driver.
- Ivan has started the inventory for the donated items, this in preparation for possible selling.
- Peter reports that he will be able to be aboard the Potomac for the Museum Ship's event in July.
- Peter also reports that Henry is looking better at the EBARC meeting.
- Next meeting will be July 3, 10:00 am on the ship.

Meeting adjourned 11:00 am.

Respectfully submitted: David Jackson,
Secretary, Red Oak Victory Amateur Radio Club
