

San Jose, Radio Club
51 Pleasant St.,
San Jose, Calif.
Oct 23, 1922.

The American Radio Relay League,
Hartford, Conn.

Gentlemen:

With a view of being in closer touch with radio operating as fostered by the ARRL, The San Jose Radio Club hereby respectfully applies for Affiliation with the ARRL.

Our membership is composed of about twenty representative operators from San Jose. All those using transmitters belonging to the ARRL. Our licensed members are 6NX, 6HC, 6AGJ, 6AEY, 6GY, 6PO, 6BON, 6CO.

That our Club is worthy of affiliation with the ARRL is evident by the fact that Major Dillon requested delegates from the Club to attend a meeting held in SF to revise the Pacific Plan. We are in close touch with Major Dillon and the club is actively backing him in the enforcement of the Pacific Plan.

Hoping to receive favorable news,

Very truly yours,

SAN JOSE RADIO CLUB

Address 51 Pleasant St
City or town San Jose, Calif.

(A copy of your constitution and by-laws shall accompany this application. Purpose of organization shall be stated in the absence of constitution and by-laws.)

Purpose of organization (extract from constitution)
TO promote, encourage and regulate radio activities in San Jose and vicinity.

February 26, 1923

San Jose Radio Club,
Mr. F. J. Quement, Secy.,
51 Pleasant St.,
San Jose, Calif.

Dear Sir:

It gives me a great deal of pleasure to advise you that at a meeting of our Board of Direction just held the application of your club for affiliation with the A.R.R.L. was formally presented and your club declared a duly affiliated society. A charter will be sent you as soon as it can be prepared.

I assure you of my high personal pleasure in this action and trust that our respective organizations will always find much of benefit in each other's strength and progress.

You will note we have devoted a section in QST to our affiliated clubs and I will be glad to have you keep me posted on your activities. In this department appear articles on cooperation between clubs and on the work which affiliated clubs can undertake to advance amateur radio in general.

It is requested that you get in touch with the nearest A.R.R.L. operating department representative and endeavor to cooperate with him in relay matters in your territory.

Kindly arrange to keep us posted on any changes in the officers of your club so our records will be correct.

Believe me

Sincerely yours,

Traffic Manager.
