

Ideas for next barbecue —

Why not persuade Mission Trail  
Net to have their week-end party  
at same time? Barbecue could  
be feature of their program.

See Don True in January about  
Saturday date for barbecue.

Goldy suggests late June or  
early July.

Have Jerry lead an old-timers  
committee and send personal  
letters to them over his  
signature inviting them.

Adopt a time table for  
planning and stick to it. See  
that advanced registration notices  
are mailed at least one month  
in advance.

Get together with Goldy  
early to adopt menu.
