SAN JOSE, June .-- There'll be hundreds of hams at a barbecue here July 17, but not a one of them will be eaten.

As a matter of fact, any eating that is done (and there will be plenty) will be done by the hams themselves.

These ~~x~~ hams are of the radio variety and they will converge on San Jose from all over the bay area for ~~x~~ the barbecue and beer/~~xxxx~~^{bust} to be held at Wieland's Gardens under auspices of the Santa Clara County Amateur Radio Association.

The event will be ~~known~~ what's known as a tri-section hamfest and will attract amateur radio operators from San Francisco, ~~Oaklandxandxkex~~ the East Bay and the Peninsula.

General Chairman Roy Couzin says there will be some interesting attractions in addition to the steaks and the lager.

WEDNESDAY, July 5

SAN JOSE, July 5.-- There'll be a lot of Oakland and east bay hams at a barbecue here July 17, but none of them will be on the menu.

The hams in question are amateur radio operators, and they'll join others from San Francisco and the Santa Clara Valley in a ~~barbecue~~ ~~excursion~~ hamfest and barbecue at Wieland's Gardens here.

The Santa Clara County Amateur Radio Association is the host organization. President Roy Couzin points out that while steak will be the main feature of the menu, the scene of the affair is a brewery. Couzin says there will be special features in addition to the food and refreshments. The party starts at 7/ p.m.

The hams are welcome to bring their ~~2~~ girl friends (also known as YLs), or their wives (also known as XYLs or OW).

Dear Dick:

Thanks for the information regarding the San Jose Barbecue to take place Monday, July 17th.

I have passed your letter around and find that because we are to have a meeting of our Reps. starting Monday, there appears little hope that any of us can get down there.

Gertrude joins me in sending good wishes. We expect to run down to meet the little red-head before long.

"73" to all.

John
