June 6 ~~XXXXXXXXXX~~

p.m. release

SAN JOSE, June 6 --(AP)--San Jose radio hams are ^{being} ~~king~~ big about the whole thing.

Recently they voted film actress Janet Leigh the girl they would like ~~xxxxxxx~~ to "make sparks with" at the Central California radio amateurs' barbecue here July 7. Yesterday they read that Miss Leigh and Tony Curtis were married at a surprise ceremony in Greenwich, Conn.

"We haven't changed our minds about Janet and I have sent her a telegram telling her ~~xxx~~ so," said Paul Tibbs, president of the Santa Clara County Amateur Radio Association. "We sent her our best wishes and told her that if she can join us at our barbecue she can bring Tony, too."

There was evidence that relations have cooled a little, however. The organization notified Janet of its tribute on a mammoth plywood post card on which it wished her "88s", which is ham language for "love and kisses." Tibbs said his telegram bore a "73," which means "best regards."
