Mr. Bill Harris,
3924 Everett,
Oakland, Calif.

Dear Sir:

There is an old saying, " that it is better late than never", and we are sure late in extending our thanks for your personal efforts in selling some 20 or 25 tickets to our July 7th Wieland's Barbecue and dance.

Our club only meets once a month and if the parties that knew of your good ticket job of selling didn't tell the Secretary of course he couldn't write. I was told about your efforts but have waited to get your address. This is also partly due to the illness of our President following the jamboree. He didn't get around to giving me your address.

We are starting to plan for a better program at Wieland's next year and hope we can call on you to help us out again.

Again THANKS & 73.

Sec'y
