

**WANTED:** Station appearance entries: If you think you have a station that is worth showing off, why not take a picture of it and send it to WORLD RADIO as a Station Appearance entry? You just might win a free year's subscription. All photos are returned, whether or not they are used. (Worldradio News, January 1983).

WE NEED Net Controls for 1983. If you would like to be Net Control for SCCARA, please call Ben, 578-2870. A list of the net controls is below: For January, Clif, KE6HM; February, Roy, KA6AQT; March, Joe, WA6DXP; April, Bob, W6OYY; May, Ben, KA6R, and the rest of the year is vacant at this writing. Being a net control is fun - the format is printed elsewhere in this newsletter. Come forth, dear members, and take part in a great hobby.

\* \* \*

HOW WOULD YOU LIKE to be a member of an Amateur Radio Club along with Barry Goldwater, W7UGA? Actually, he was the first member of this interesting club. Then there are honorary members, such as Prince Talal Ben Abdul AZIZ, HZ1TA; Father Moran, 9M1MM; Fred Maia, W5YI; and others. The club is the Senior Citizens Amateur Radio Society (SCARS) with Geo. A. Greenwood, Founder and President. The club publication, MIKE 'n KEY is impressive. Twenty pages with lots of photos, QSL cards, etc. The club covers a variety of interests such as DXing, MARS, etc. We don't know how "senior" you must be, but it sounds interesting. For more information, write to the club at Old 76-Road, Brocktondale, NY, 14817. (WORLD RADIO, January, 1983)

**FOR SALE:** Teletype TTY ASR 33 with tape punch threadder; newly refurbished. Sell or trade for 220 gear, etc. Glen, K6GNG, 292-1165

DICK BARRETT, W6CFK and his XYL have just returned from a HAM CRUISE which was held aboard the ORIANA to the South Pacific, October 16-29. Ten hams, all but one accompanied by wives, operated a station aboard the ORIANA. Some members flew October 8 to Melbourne, Australia and took a motor coach trip back to Sydney via Albury, Mitchelton, Wagga Wagga and Canberra, enjoying spring, south of the equator. They had dinner and attended the performance in Sydney's famous opera house and then boarded the ship for the Cruise. The TS820S was situated on the poop deck at the head of stairway 8 affording a view of the sunbathers outside the window. It fed into a Hustler 3-band vertical which Chuck Smallhouse, WA6MGZ of Los Altos had cut down into a 4-foot carrying case of his own manufacture. Numerous contacts were made with Aussie and New Zealand stations, at least one in India and one in Siberia and with US Hams, but because of the time difference, many of the latter were going to bed in what was the middle of the afternoon for us. The ship sailed to Auckland, NZ, Suva and Lautoka in the Fiji Islands, Vila in Vanuatu, and Noumea, New Caledonia and back to Sydney. Among the passengers from this area were Chuck and Nancy Smallhouse (the organizer of the expedition); Don Eberlein, former Vice Director of the Pacific Division and XYL Marilyn of Los Gatos and Dick Barrett and XYL Gertrude of San Jose. Others included H. Gartsman, W6ATC, past president of QCWA and XYL Dorothy of Beverly Hills; Jim Walden, W6ESJ, and XYL of San Rafael; Oscar Hauger, W1OK and XYL Sally of Vermont and Florida; Gene Clark, W6DQH and XYL Jeanie, WA6GUA, of Los Angeles; Jerry Robinson, K6AV of LA whose call we used; Irv Brewer, WB6NDQ and XYL of Beverly Hills. This sounds as though it was a great cruise. Guess SCCARA should sponsor one one of these days ---?
