Funfest discussion on needing volunteers and time to come in and set up.

Look at alternate meeting location for this summer with all the construction here.

Parking issues here with all the new construction.

Net control schedules & having more alternates for backup.

Club shirts are on order & should be here soon.

Michael will add to our website the list of net control and alternates.

License testing went well, everyone passed & we now have several new hams.

The meeting was adjourned at 2:00 PM
