# SCCARC BOARD MEETING 2/24/2021

President Joel Bahl called the meeting to order at 1:05PM.

Members present: Joel Bahl, Rick Sochon VP, Rick Indiano-Treasurer,

Jim Key – Program Director. Member Pat Masterson.

Meeting adjourned at 1:40PM.

# Treasurer's report::

Expenses: \$1382 Amplifier repair and new power supply, Business

cards, License manuals, AnyTone 578 Tri Band mobile

Income: \$50 Dues and donations

Account Balance: \$4,180

# President's report:

Joel Bahl has provided the required documents to the CA for 2021.

Next Members meeting will be held on *March 3 in the Florida room* – Joel Bahl KQOJ will present an Introduction to the Six Meter Band (50-54 mHz)

We need a qualified person for the Program Director spot on the board

We need some new Net Control stations and Backups for the Tuesday net.

# **Equipment Manager report**

- Current study guides received 1 each.
- Business cards received board members each get some. Will bring to the meeting for the members.
- ALS-600 Amp repaired for \$320. Reinstalled with new power supply.
- Triband mobile w / DMR installed and operations needs new antenna installed. Joel will train anyone interested on the radio / DMR basics.

#### Future member education ideas:

- Basic Radio / Tech class (When COVID restrictions lifted) are any members interested? Do we have anyone that would like to teach these?
- Grounding basics presentation for a meeting or class

## Repairs needed:

- Tower maintenance / repair tower does not lower, needs new rope for latch actuation.
- Need discone antenna installed
- Bob Goldberg volunteered after the meeting to set up a day with the CA staff.

Respectfully Submitted.
Joel Bahl, President SCCARC
