Station Trustee, Pat Masterson KE2LJ

Treasurer, Leonard Boyer KQ4LJG

Secretary, Judy Wozniak K4WOZ

Joel Bahl, President, called the meeting to order at 11:00 AM.

We will have a combined meeting Wednesday March 5, 2025 at 2:00 PM with KPARC at our location.

Our guest speaker will have a presentation on GeoChron Digital and World Clocks.

Zoom will not be used because of its time limit. Joel has a link to use to link to the presenters PC on our laptop at the meeting. Mr. Joe Flack WOQF will be holding a FREE drawing for an HT at the meeting. Everyone will get a ticket to put in the hat for a chance on the HT.

Dues will be collected from members that have not renewed yet.

Please remember to bring your KPARC, SCCARC or Community Association badge.

Treasurer Report: Leonard reported the Treasury Balance is \$4,476.51.

New Business: Vertical antenna bent but usable, may need to be taken down and replaced if possible. May need new coax run if we get a new antenna.

Ultimax wire antenna working well needs a bit of tightening again.

AL-811 amplifier for use on 20M SSB for Judy's net. Running at 400-500 watts is doing OK.

Membership agrees that we need a new, not used beam so we do not have to do any repairs in the near future. The Board voted for the Mosely MP 33 tribander. Joel requested a quote.

Price is around \$850 plus shipping which will be covered by our grant money. We will also replace the repeater antenna with a new one that we already own. It has been checked out.

We also purchase new lower loss coax cable for the repeater antenna.

Meeting closed at 11:20 AM
